Staying Close:

Moments Together for Couples Dennis Rainey, Barbara Rainey, 1995-10-19 Take Time Out of Each Day to Relax and Grow Together In the midst of the stress and pressure of everyday life Moments Together for Couples will give you and your mate a chance to pause relax and draw upon the strength of the Lord This easy to use devotional helps you set aside anywhere from 5 to 30 minutes every day with your spouse to grow closer to God and closer to each other **Interpreting and Responding to Classroom Behaviors** Michael O. Weiner, Les Paul Gallo-Silver, Tal D. Lucas, 2021-08-12 I spend all my time with this kid is a typical teacher complaint when challenged by a young child who disrupts the classroom with rebellious impulsive worrisome or odd behaviors It is vital that teachers gain the skills to holistically decipher and respond to these complex classroom situations By addressing the underlying meanings that motivate children s behaviors teachers increase the opportunity for change within the classroom setting Focusing on communication this book discusses practical ways to apply child developmental theories to help address common classroom situations problems and worries It identifies new frameworks and rationales such as the troubling child the testing child the worrying child and the hiding child describes the unique aspects of these children s communication and offers an easy to use language for successful teacher intervention It also provides an adaptable week by week planning and intervention structure as a way of creating some balance between practicality and theory *Assisting Care Leavers Time for Action* OECD, 2022-06-13 Young adults who have lived in out of home care at some point during their childhood often struggle to build stable lives This is not surprising typically young care leavers not only have to overcome a difficult childhood but also tend to receive less support during the crucial years of early adulthood than youth living with their parents Littell's Living Age Eliakim Littell, Robert S. Littell, 1893 Old, Female, and Rural B Jan McCulloch, 2016-05-23 In reading *Old Female and Rural* you ll discover just that the reality concerning the daily living situations of the nation s older female populations in rural places This scholarly collection will help you and others dispel the romantic frontier myths of the stoic tenacious and independent rural woman Instead you ll find real direction for change in the statistics that truly reflect the older rural woman s mental physical economical and social existence *Old Female and Rural* will show you stark realities concerning the older rural female s economic well being intergenerational family relationships health care and service delivery availability and long term care concerns The candid demographic and epidemiological data you discover in this book will not only expose the myths for what they are but also allow you and others to transform the myths into daily realities of better policies and better living standards for the women who belong to this population subgroup Specifically you ll read about one woman s subjective evaluation of growing old in a rural area rural women s experiences of accessing health care the economic well being of women aging in nonmetro areas changes in the informal support networks of women aging in the rural southwest a comprehensive synthesis of the above isolated topics which provides future implications for research education and policy While the legends of the old American

frontier have died the older female populations in America s rural areas live on and they deal with some very challenging realities Old Female and Rural takes you into the homes lives and minds of this complex and unique subgroup of America s elders and points you and public administrators government officials educators and civil servants toward the unsettled frontier of real social change
