Stealing Home Philip F. O'Connor, 1979 Benjamin and Marilyn Dunne Bobo Annie Suzie Here in this tremendously moving novel is an American family today riding out a kind of crisis of feelings and identity that is particular to our time We see them the Dunnes through the eyes of the young husband Benjamin in his mid thirties whose apparently solid and agreeable life is beginning to unravel His marriage is coming apart His wife Marilyn suddenly and deeply wants more than her days contain His twelve year old boy is becoming unbearably sullen you talk to Bobo and he puts his fingers in his ears Benjamin s own emotional vertigo is turning him toward another woman What happens as he tries to pull his life together is told in the dramatic fresh and beautifully rendered context of a half pint baseball season Benjamin trying to contain his anger at his infuriating twelve year old volunteers to coach the team on which Bobo plays Bobo s response Trade me The other kids catch his hostility And Benjamin even while coping with all the adult nonsense and intrigue that surround small fry baseball leagues finds himself obsessively determined to win to win the respect of the team to win Bobo to win games To win back his own slipping command of himself and his life As the summer progresses the small and the large dramas intermingle and reflect each other The daily suspense of the ball field that miniature yet altogether serious world of contest and passion is both part of and emblem of the larger suspense the turbulence the conflict the striving that takes place within Benjamin as he tries to resolve his panics and confusions What will be his relationship with his wife he thinks they belong together but do they with the woman who in his bad time has given him wine and cheese and cheerfulness and taken him into her bed what does he owe her with his children and with himself Jacket [Sports Through the Lens](#) Maureen M. Smith, Daniel A. Nathan, Sarah K. Fields, 2025-01-07 Both photography and professional sports originated in the 19th century and photographers have been capturing moments in sports ever since Even those who are agnostic about sports will recognize images like Neil Leifer s iconic photo of Muhammad Ali snarling over a defeated Sonny Liston or Brandi Chastain s shirtless celebration of the USNT s World Cup win in 1999 This manuscript is a collection of 25 essays each examining the history and cultural meaning of a single sport photograph including the two mentioned above A range of memorable moments and athletes as well as some lesser known images are included in the collection Most of the images are from the US and most are from the 20th century While almost all of the photographers would identify as white men their subjects are more varied and the sports represented include baseball football basketball hockey tennis boxing horse racing soccer and running as well as several Olympic moments **Stealing Home** Mary Stolz, 1992 Though they still listen to baseball and go fishing Thomas and his grandfather find life in their small house in Florida changed when Great aunt Linzy comes to stay *New York Magazine*, 1988-09-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to

Statistical Reasoning in Sports Josh Tabor, Chris Franklin, 2011-12-23 Offering a unique and powerful way to introduce the principles of statistical reasoning *Statistical Reasoning in Sports* features engaging examples and a student friendly approach Starting from the very first chapter students are able to ask questions collect and analyze data and draw conclusions using randomization tests Is it harder to shoot free throws with distractions We explore this question by designing an experiment collecting the data and using a hands on simulation to analyze results Completely covering the Common Core Standards for Probability and Statistics *Statistical Reasoning in Sports* is an accessible and fun way to learn about statistics

Stealing Home Eric Nusbaum, 2020-03-24 The scrupulously detailed Los Angeles Times story of how the fight to build Dodgers Stadium and transform Los Angeles into a big league city came at the cost of everyday Angelenos Dodger Stadium is an American icon But the story of how it came to be goes far beyond baseball The hills that cradle the stadium were once home to three vibrant Mexican American communities In the early 1950s those communities were condemned to make way for a utopian public housing project Then in a remarkable turn public housing in the city was defeated amidst a Red Scare conspiracy Instead of getting their homes back the remaining residents saw the city sell their land to Walter O Malley the owner of the Brooklyn Dodgers Now LA would be getting a different sort of utopian fantasy a glittering ultra modern stadium But before Dodger Stadium could be built the city would have to face down the neighborhood s families including one the Ar chigas who refused to yield their home The ensuing confrontation captivated the nation and the divisive outcome still echoes through Los Angeles today

The Cultural Encyclopedia of Baseball, 2d ed. Jonathan Fraser Light, 2016-03-25 More than any other sport baseball has developed its own niche in America s culture and psyche Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays Many trace the beginnings of the civil rights movement in part to the Major Leagues decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language From AARON HENRY onward this book covers all of what might be

called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere Biographical sketches of all Hall of Fame players owners executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards join entries for teams owners commissioners and league presidents Advertising agents drafts illegal substances minor leagues oldest players perfect games retired uniform numbers superstitions tripleheaders and youngest players are among the thousands of entries herein Most entries open with a topical quote and conclude with a brief bibliography of sources for further research The whole work is exhaustively indexed and includes 119 photographs
