Women in Iran from 1800 to the Islamic Republic Lois Beck,Guity Nashat,2004 The role of women in Iran has often been downplayed or obscured particularly in the modern era This volume demonstrates that women have long played important roles in different facets of Iranian society Together with its companion *Women in Iran from the Rise of Islam to 1800* this volume completes a two book project on the central importance of Iranian women from pre Islamic times through the creation and establishment of the

Islamic Republic It includes essays from various disciplines by prominent scholars who examine women's roles in politics, society and culture and the rise and development of the women's movement before and during the Islamic Republic. Several contributors address the issue of regional, ethnic, linguistic and tribal diversity in Iran, which has long contained complex, heterogeneous societies.

The Temporary Wife Catharina Maura, 2025-06-04 *Molla Nasreddin* Kamran Afary, Janet Afary, 2022-08-10 In the early twentieth century a group of artists and intellectuals reinterpreted the Middle Eastern trickster figure Nasreddin in their periodical *Molla Nasreddin*. They used folklore, visual art and satire to disseminate a consciously radical and social democratic discourse on religion, gender, sexuality and power in Transcaucasia and Iran. The periodical reached tens of thousands of people in the Muslim world, impacting the thinking of a generation. This highly illustrated book explores the milieu in which Molla Nasreddin was born, the way the periodical recreated the trickster trope and the influence of European graphic artists, especially Francisco Goya, on the journal. It focuses on the most creative period, 1906-11, when the journal reflected the social and political concerns of three major upheavals: the 1905 Russian Revolution, the 1906-1911 Iranian Constitutional Revolution and the 1908 Young Turk Movement.

Inconceivable Iran Soraya Tremayne, 2022-10-14 Celebrating the 50th volume of the landmark *Fertility, Reproduction and Sexuality* series, this book offers a much needed analysis of shifting reproductive policies and practices in the Islamic Republic of Iran, a society that is usually represented as either revolutionary or oppressive. Instead, Tremayne reflects on more than four decades of research, arguing that changing reproductive behaviors on the part of ordinary Iranians must always be viewed against the backdrop of core cultural values and traditions, which are often reinforced instead of radically altered by new reproductive technologies, juridical opinions and state policies.

Precarious Lives Shahram Khosravi, 2017-03-07 Drawing on extensive ethnographic engagement with youth in Tehran and Isfahan, as well as with migrant workers in rural areas, Shahram Khosravi weaves a tapestry from individual stories, government reports, statistics and cultural analysis to depict how Iranians react to the experience of precarity and the possibility of hope.
