Ten Tests Of Abraham:

Ten Tests of Abraham Shoshana Lepon, 1986-08-01 *The Ten Tests of Avraham* Shoshana Lepon, 2001 Avraham went through ten tests that proved his greatness Just as Avraham courageously dealt with his challenges children will also learn to always try their best

Movies and Midrash Wendy I. Zierler, 2017-08-16 Brings popular cinema and Jewish religious texts into a meaningful dialogue Movies and Midrash uses cinema as a springboard to discuss central Jewish texts and matters of belief A number of books have drawn on films to explicate Christian theology and belief but Wendy I Zierler is the first to do so from a Jewish perspective exploring what Jewish tradition text and theology have to say about the lessons and themes arising from influential and compelling films The book uses the method of inverted midrash while classical rabbinical midrash begins with exegesis of a verse and then introduces a mashal parable as a means of further explication Zierler turns that process around beginning with the culturally familiar cinematic parable and then analyzing related Jewish texts Each chapter connects a secular film to a different central theme in classical Jewish sources or modern Jewish thought Films covered include The Truman Show truth Memento memory Crimes and Misdemeanors sin Magnolia confession and redemption The Descendants birthright Forrest Gump cleverness and simplicity and The Hunger Games creation of humanity in God s image among others This is a groundbreaking work of originality insight and high quality It will be of great importance not only for Jewish readers but also for non Jewish readers who long for a non Christian perspective on popular film I loved this book Eric Michael Mazur editor Encyclopedia of Religion and Film

A Lifetime of Genesis Henry A. Zoob, 2016-12-22 For many readers of the Bible there are two major obstacles to the enjoyment of scripture comprehension and relevancy In A Lifetime of Genesis Rabbi Zoob seeks to help the reader overcome these obstacles In clear logical prose Rabbi Zoob explains the course of the Covenant of Abraham in Genesis and how each major player Abraham Isaac Jacob Joseph Sarah Rebekah Rachel and Leah has an impact on the development and continuity of the Covenant of Abraham He solves the relevancy problem by sharing stories from his life that are connected to the patriarchal and matriarchal events and themes in each previous chapter For example following an analysis of the challenge of infertility that Abraham and Sarah faced he tells the story of how he and his wife Barbara struggled through thirteen years of childlessness And after the chapter on how Jacob wrestled with the angel and the many challenges in his life Rabbi Zoob recalls his sibling struggles with his brother and his wrestling with seasonal depression Rabbi Zoob hopes that his use of this midrashic process to discover personal insights will encourage the reader to do the same

A Walk through Jubilees James L. Kugel, 2012-03-02 The first part of this book is an extensive verse by verse commentary on the Book of Jubilees Kugel s stated aim is to understand what the text is saying and why it is saying it and in particular to explore the numerous bits of biblical interpretation found in Jubilees and their connection to other exegetical writings of the Second Temple period Subsequent chapters focus on the possibility that Jubilees had more than one author as well as on the book s specific relationship to four other Second Temple texts the

Genesis Apocryphon the Aramaic Levi Document 4Q225 Pseudo Jubilees and the writings of Philo of Alexandria *Levinas and the Torah* Richard I. Sugarman,2019-09-01 A Levinasian commentary on the Torah The French philosopher Emmanuel Levinas 1906 95 was one of the most original Jewish thinkers of the twentieth century This book interprets the Hebrew Bible through the lens of Levinas s religious philosophy Richard I Sugarman examines the Pentateuch using a phenomenological approach drawing on both Levinas s philosophical and Jewish writings Sugarman puts Levinas in conversation with biblical commentators both classical and modern including Rashi Maimonides Sforno Hirsch and Soloveitchik He particularly highlights Levinas s work on the Talmud and the Holocaust Levinas s reading is situated against the background of a renewed understanding of such phenomena as covenant promise different modalities of time and justice The volume is organized to reflect the fifty four portions of the Torah read during the Jewish liturgical year A preface provides an overview of Levinas s life approach and place in contemporary Jewish thought The reader emerges with a deeper understanding of both the Torah and the philosophy of a key Jewish thinker Sugarman rightly treats Levinas as a thoroughly Jewish religious thinker an approach to the great thinker that is much needed Taking such an approach he opens up new innovative horizons in Torah commentary and analysis Through a perceptive reading of Levinas through the biblical lens he offers an insightful illumination of both the Bible and Levinas Some may not be sure what to make of Sugarman s work here but then that is how it always is with innovative approaches David Patterson author of *The Holocaust and the Nonrepresentable Literary and Photographic Transcendence* **Traditions of the Bible** James L.
