The Colter Conspiracy Ken Crowder,1984-11-01      **Doin' Dirty** Howard Swindle,2011-04-01 A year ago Dallas Homicide Detective Jeb Quinlin went through an alcohol rehab program that was rather more intense than usual as he double timed his treatment with tracking a serial killer on an AA agenda Now sober and taking things one day at a time on the job and cautiously but successfully involved with Madeline Meggers a woman he met in the Jitter Joint he s fragile but surviving Quinlin and his partner Paul McCarren s latest case involves the gruesome murder of an investigative reporter It seems that Richard Carlisle may have found more than he bargained for while following a lead on a hush hush story Tracing Carlisle s steps the case leads Quinlin back to his roots in the legendary Texas ranching country of Comanche Gap looking into the activities of the Colters a prominent and wealthy family But what could Carlisle possibly have found that was threatening enough to cost him his life The truth promises to be more far reaching more dangerous and much closer to home than Quinlin can imagine pitting him McCarren and a few faces from Quinlin s past against one of the Lone Star State s most powerful families      The Great Spy Pictures II James Robert Parish,Michael R.
