Uncommon Faith:

An Uncommon Faith Eddie S. Glaude Jr., 2018-11-15 With An Uncommon Faith Eddie S. Glaude Jr. makes explicit his pragmatic approach to the study of African American religion. He insists that scholars take seriously what he calls black religious attitudes that are enduring and deep-seated dispositions tied to a transformative ideal that compels individuals to be otherwise, no matter the risk. This claim emerges as Glaude puts forward a rather idiosyncratic view of what the phrase African American religion offers within the context of a critically pragmatic approach to writing African American religious history. Ultimately, An Uncommon Faith reveals how pragmatism has shaped Glaude's scholarship over the years, as well as his interpretation of black life in the United States. In the end, his analysis turns our attention to those black souls who engage in the arduous task of self-creation in a world that clings to the idea that white people matter more than others. It is a task he argues that requires an uncommon faith and deserves the close attention of scholars of African American religion.

Uncommon Tony Tevis, 2016-06-15 For those of you who fall asleep in your chairs on Sunday, this book is for you. I'm not kidding. This book is for anyone who feels asleep in their faith. It's an opportunity to wake up and get to know who God really is. Being a Christian is more than just salvation. It's more than just the Christmas story and going to church. It's not about doing better or being more religious. The Bible shows us that being a Christian is about living in the best relationship of your life, a relationship with God. What does that relationship look like? The following pages will show you. This book is about what it means to live as a loved child of God. You'll learn how to be a follower of Jesus and experience the grace change we all desperately need. You'll walk through the scriptures and personal stories about sin, worship, church, demons, mistakes, victory, and freedom. Life is not meant to be easy. But if you know Jesus, you are meant to be free. Freedom doesn't happen without change. And you can't change yourself. Only a Savior can. His name is Jesus Christ. I hope and pray for soft hearts and open minds to receive this book that lives may be changed, that relationships may be restored, and that freedom may be found for the glory of the Name of Jesus.

Uncommon Carey Scott, 2017-07-01 Uncommon is a battle cry for women to step out of the ordinary and live differently. It's a blueprint for a life full of passion and purpose. And it has the power to change everything. Carey Scott, author, speaker, and certified Biblical Life Coach, invites you to journey alongside her as she introduces you to women from the Word who chose to live uncommon lives, even in the toughest circumstances. From stepping into scandalous situations to breaking cultural norms to risking the departure of a comfortable life, you will discover hope and motivation to live God's way in a world that screams, "Tuck your faith away. Just be normal like everyone else." Now more than ever, it's time to step into something new, something life-changing and life-giving. God is asking you to shine Him into a world that needs to know there is a better way to live. And when you say yes to becoming uncommon, it's a radical act of obedience to the One who created you to be extraordinary. Uncommon offers personal stories, insights, life lessons, questions for further reflection, and biblical support, written especially for women. With authenticity, vulnerability, humor, refreshing boldness, and
