The Relevance of Rational Emotive Behaviour Therapy for Modern CBT and Psychotherapy Windy Dryden, 2018-08-06 The Relevance of Rational Emotive Behaviour Therapy for Modern CBT and Psychotherapy explores the contemporary relevance of this treatment for modern psychotherapy from the point of view of a leading contributor First founded in 1955 by Albert Ellis REBT still has much to offer the field Despite this the therapy has been increasingly neglected by cognitive behaviour therapy and other practitioners To demonstrate its contributed relevance Professor Windy Dryden outlines in this book his current thinking and practice in regard to REBT He advocates its key features of flexibility and non extremeness and explores what he believes REBT has to contribute to the discussion surrounding contemporary issues in psychotherapy The Relevance of Rational Emotive Behaviour Therapy for Modern CBT and Psychotherapy is an excellent resource for CBT and other therapists who would like to know more about the relevance of REBT to their work

Vladimir Solov'ev William Peter van den Bercken, Manon de Courten, Evert van der Zweerde, 2000 Vladimir Solov ev 1853 1900 is regarded as the most original and systematic of the Russian philosophers in the 19th century He has once again become the subject of international scholarly attention both in Slavic countries and the West This volume contains selected papers presented at the international conference on Vladimir Solov ev held at Nijmegen University the Netherlands in September 1998 The scope of this conference was wide ranging dealing with theological metaphysical philosophical and historical themes Though Solov ev s broad intellectual activity defies any strict attempt at categorisation the editors have classified its major themes under the dual characteristic of reconciliation and polemics Solov ev was passionately committed to the reconciliation of all beings under the idea of all unity which he attempted to achieve by engaging in uncompromising polemics with his contemporaries The thirty contributors to this volume are specialists from Russia Ukraine Bulgaria Western Europe and the United States The volume makes a significant contribution to the intellectual reassessment of Vladimir Solov ev since the rediscovery of his philosophical heritage in his own homeland in the 1980s

Unconditional W. Xavier Staub, 2025-09-15 This is my story But I believe it s yours too What happens when an ordinary man survives the unthinkable and then devotes his life to reclaiming the Light he glimpsed as a child From unspeakable trauma to mystical awakening Xavier s true story unfolds like a spiritual action thriller His search for peace led him from the brutality of a 1950s Boston Catholic school to the silent mountains of Thailand into the soul of aikido Through fasting solitude and extraordinary states of consciousness he unlocks a deeper truth one that defies suffering dogma and even death Told in powerful visual form UNCONDITIONAL is a testament to resilience healing and the soul s unbreakable Light This is not just one man s memoir it s a journey an initiation and a reminder of what becomes possible when we remember who we truly are

Understanding Psychological Health Windy

Dryden,2025-09-30 Understanding Psychological Health draws on Rational Emotive Behaviour Therapy REBT which focuses on resolving emotional and behavioural problems and disturbances and enables people to lead happier and more fulfilling lives to provide an understanding of psychological health The book looks first at how people can remain psychologically healthy in the face of adversity and then goes on to discuss how these healthy philosophies underpin certain key areas of psychological health This second edition describes REBT theory with greater accuracy and updates and adapts terminology for contemporary readers It also includes new chapters detailing healthy responses to common life adversities and outlining aspects of healthy psychological functioning The only book to discuss psychological health from an REBT perspective Understanding Psychological Health is intended for helping professionals who have a particular interest in CBT REBT and students in these areas
