Under Her Wings:

The Book of Ruth, Precept Upon Precept J. Darline Peipman, 2007-12 The enduring appeal of Ruth's story has made it a favorite for thousands of years Within this beloved story there are keys to understanding God's will precepts that lead believers to a closer relationship and fellowship with God Practical Life *Preaching Types & Metaphors (Keach)* Benjamin Keach, Introduction by Herbert W Lockyer An exhaustive analysis of the significance of each type and metaphor and the practical application they offer us today **The Sunday School Hand-book ...** Erwin House, 1868 *The Training System, Moral Training School, and Normal Seminary, for Preparing School-trainers and Governesses* David Stow, 1854 *Unlocking the Idioms: An LDS Perspective on Understanding Scriptural Idioms* George M. Peacock, 2023-02-02 Idioms and idiomatic language are as real to the messages of holy scripture as are prophecies and parables Idioms are words and phrases that express more than the actual words themselves They paint mental or emotional images that bring events or feelings to the present quickly and with intensity Like a cultural shorthand they can describe things without using lengthy explanations On the other hand idioms can be meaningless and misleading if the reader has no experience with the culture and language from which the idioms originated Mistranslation and cultural differences both contribute to the misinterpretation of many scriptural idioms Phrases such as gird up your loins and salt of the earth will lose their intended effect if they are taken only literally In these pages George M Peacock explains exactly what idioms are how to identify them and how learning their meaning can add to your understanding of the scriptures and their messages *Unlocking the Idioms* will help bring you insight and knowledge as you feast upon the words of the Lord *The Training System, the Moral Training School, and the Normal Seminary* David Stow, 1850 **The Mormons and Their Bible** Martin Thomas Lamb, 1903 **The Holy Bible, in the Authorized Version** Christopher Wordsworth, 1883 The wandering knight: his adventurous journey: or, A mediæval Pilgrim's progress [tr. by A.J.
