

When Death Comes By Mary Oliver

When death comes
like the hungry bear in autumn;
when death comes and takes all the bright coins
from his purse

to buy me, and snaps the purse shut;
when death comes
like the measles-pox;

when death comes
like an iceberg between the shoulder blades,

I want to step through the door full of curiosity,
wondering:
what is it going to be like, that cottage of darkness?

And therefore I look upon everything
as a brotherhood and a sisterhood,
and I look upon time as no more than an idea,

When Death Comes

Death Comes for the Archbishop Willa Cather,2023-01-01T20:45:19Z Set in the 1850s this short novel is about the struggles and triumphs of a bishop Jean Marie Latour and his loyal friend and vicar Father Joseph Vaillant They have been sent to reawaken and spread the Roman Catholic faith in an area where it has grown weak New Mexico recently annexed by

the United States Desolate and remote the territory is home to many diverse groups Mexicans including those on ranches established for hundreds of years Indians who have been there much longer and who are divided by language and customs into thirty nations and newcomers hunters fur trappers and those seeking gold This book is as much their story as it is the story of the priests and the vast changes the land itself underwent in those years Death Comes for the Archbishop was a departure for Willa Cather who had already published eight novels before publishing this one in 1927 The novel doesn't try to follow a single unified story the way many historical novels do instead its nine chapters are episodic filled with stories legends histories and descriptions of the Southwest which Cather had been visiting for many years before she started writing it Many of its main characters including the bishop and his vicar are thinly disguised versions of real life historical figures while other famous New Mexicans of the day including the frontiersman Kit Carson and the powerful old priest Antonio José Martínez appear under their actual names This book is part of the Standard Ebooks project which produces free public domain ebooks
