

A photograph of a stone archway in a ruined building. The arch is made of large, reddish-brown stone blocks. Behind the arch, a large, dark shadow is cast onto the wall, resembling a hand or a fan. The sky is a clear, bright blue. The overall scene suggests a sense of decay and the passage of time.

**When Foundations Cry** Mercy Inusa, 2025-12-08 This book is all about the battles men did not choose yet they were waiting for them before their first breath There are altars raised long before great grandparents existed and yet the smoke of those altars still searches for their children to great grand children children These cries are not the cries of babies no They are the cries of foundations The cry of a foundation is silent but powerful invisible but undeniable And as a shepherd to your soul and a woman who has stood in the trenches of prayer I need you to hear me today this is not a message of fear but a revelation of divine strategy Understanding your foundation and coming out in grace and stronger Some families like Naboth Ruth King Solomon and the alike received generational wealth or everlasting inheritance to the children but not many families hand down wealth land or wisdom but instead they inherited altars They handed down covenants idols deities oaths and spiritual agreements that were never cancelled Some inherited altars of polygamy where the same spirit rotates through generations Some inherited altars of poverty where no one rises beyond Some inherited altars of premature death or mysterious sicknesses that reappear like clockwork Some inherited altars of fruitlessness or family barrenness Some inherited altars of fear dreams torment or depression Some inherited altars of immorality marital instability or alcoholism Some inherited altars of witchcraft but the victim does not even know the source And some inherited altars of marine covenants where ancestors went to the water gods to seek longevity wealth influence or protection ignorant of the spiritual cost on their unborn generational line Which some are tired of managing Some are discouraged Some feel helpless And some out of desperation begin to seek help from prophets herbalists spiritists or foreign powers forgetting that the moment you consult another altar you become tied to that altar One of the greatest errors today among Christians is

seeking extra power outside Christ The rock of ages Himself who can repairs restore and rebuild For every altar raised by the enemy in the hidden places of your bloodline God in His infinite foreknowledge erected a counter altar of grace For every cry of a fractured foundation heaven released a sound of redemption The enemy works in generations but our God is the God of Abraham Isaac and Jacob He is the Lord of generations The king of glory according to psalm 24 *The Encyclopaedia Britannica* ,1929 *The Encyclopedia Britannica* ,1930 *System* ,1905 *The Encyclopedia Britannica* James Louis Garvin, Franklin Henry Hooper, Warren E.
