

The Harvard Business School Center for Digital Learning has developed this checklist to help you design an effective hybrid workplace model.

The 5x questions checklist for an effective hybrid workplace model

01 What do people want?

As mentioned above, a successful hybrid work strategy and hybrid workplace model can only work if it's designed for the people.

Before making any significant decisions or investments, it's important to understand the preferences, needs, and expectations of the people you want to work for. This includes understanding their work preferences, their needs, and their expectations. You should also understand the challenges they face in their current work environment.

You want to build a hybrid work model that will meet the needs of everyone, and address the most common challenges faced by your team.
