Rear Adm. Corwin Mendenhall, USN (Ret.)

Submarine Diary

Michael Sturma

Submarine Diary:

Submarine Diary Corwin Mendenhall,1991 A vividly detailed account of life aboard U S submarines in the Pacific during World War II Over the course of eleven patrols on Sculpin and USS Pintado Corwin Mendenhall s Submarine Diary recreates the crews deadly games with the Japanese navy the peril boredom and excitement of war aboard an American sub on the hunt

U. Boat 202: the War Diary of a German Submarine Freiherr von Spiegel,1919

Fremantle's Submarines Michael Sturma,2015-09-15 From unpromising beginnings in March 1942 the Allied submarine base at Fremantle on the west coast of Australia became a vital part of the Allied offensive against Japan Pushed back from the Philippines and the Netherlands East Indies American submariners accompanied by a small group of Dutch forces retreated to Fremantle as a last resort The location was chosen for its good harbor and the fact that it was outside the range of land based Japanese aircraft Unfortunately the base was also far from their patrol areas and supply lines and it was difficult to reinforce should the enemy attack Thanks largely to a welcoming civilian population morale quickly improved The hospitality and sense of belonging fostered by Western Australians became legendary among Allied submariners and remains central to their wartime memories Perhaps as a result of such a positive experience the Allied forces became much more successful in combat Intertwining social and military history Fremantle s Submarines relates how courage cooperation and community made Fremantle arguably the most successful military outpost of World War II from the standpoint of troop morale

The Submariner's Dictionary Or Submariner's Compendium of Terms & Tar's Handbook of Naval Verbiage and Retired Guy's Re-familiarization Manual Ron Martini,2005 Submariners are a tight knit group of men bound together by training and experience and with a language all their own That language is perhaps a little vulgar but never intentionally demeaning and a little irreverent but still worldly This work is an attempt to preserve and explain some of these curious guys who so proudly wear a shiny metal pin that looks like a strange pair of fish on their left breast This process of accumulating this new language begins in Boot Camp and is added to with every change of duty station the sailor undergoes It is heard aboard the boats and unknowingly by family members who can t understand terms like head deck and overhead and who think SOS is a distress signal

The Diary of a U-boat Commander Stephen Sir King-Hall,2022-09-04 In The Diary of a U boat Commander Stephen Sir King Hall offers a gripping exploration of life aboard a German submarine during World War I captured through the intimate lens of a fictional commander s journal Blending meticulous historical detail with a rich evocative narrative style King Hall immerses readers in the psychological pressures and ethical dilemmas faced by the crew The prose balances stark realism with lyrical reflections that evoke the tumultuous sea and the haunting isolation inherent in underwater warfare making it a poignant commentary on the broader context of war and humanity s struggle against fate Stephen Sir King Hall an experienced naval officer himself draws from both personal and historical

insights to develop a compelling narrative His background and deep understanding of maritime culture enrich the authenticity of the characters and settings as he navigates the moral complexities of combat and duty King Hall s literary contributions stem from a desire to shed light on the often overlooked perspectives of those who fought in the shadows of conventional warfare elevating their experiences beyond mere statistics I wholeheartedly recommend *The Diary of a U boat Commander* to readers interested in historical fiction naval history or war literature Its intricate portrayal of human frailty and resilience against the backdrop of conflict assures that it resonates with both historians and fiction enthusiasts making it an essential addition to any literary collection

The Diary of a U-boat Commander With an Introduction and Explanatory Notes by Etienne Anon,2005 *The Diary of a U-boat Commander* Stephen King-Hall,2017-09-06 The diary of a World War One U Boat commander As well as being a fascinating glimpse of life on the German U boats during the intense submarine blockade this also reminds us there were humans involved on both sides of the action as we read too of the intimate thoughts and intense love of a man longing for his sweetheart

The Diary of a U-boat Commander William Stephen Richard King-hall, Sir,2017-04-04 I made no reply I had just granted him a favour by allowing him to leave the upper deck of the submarine in order that he might await the motor launch in some sort of privacy why should he ask for more Undeterred by my silence he continued I have a great friend Lieutenant zu See Von Schenk who brought U 122 over last week he has lost a diary quite private he left it in err can he have it I deliberated felt a certain pity then remembered the Belgian Prince and other things and so looking the German in the face I said I can do nothing Please I shook my head then to my astonishment the German placed his head in his hands and wept his massive frame for he was a very big man shook in irregular spasms it was a most extraordinary spectacle It seemed to me absurd that a man who had suffered without visible emotion the monstrous humiliation of handing over his command intact should break down over a trivial incident concerning a diary and not even his own diary and yet there was this man crying openly before me

Gregory F Michno,2016-01-12 Most World War II submarine stories are glorifications of war written by submarine captains about their own boats But the USS Pampanito was not a typical submarine The sub and its crew caused plenty of destruction but they found the pinnacle of their honor and fame in a dramatic sea rescue Gregory F Michno relates the experiences of the crewmen both enlisted men and officers who served on the USS Pampanito The Pampanito story begins with the boat s construction in 1943 continues through its six combat missions and concludes with its decommissioning after the war in 1945 The heart of the book is the September 12 1944 attack on a Japanese convoy carrying English and Australian POWs from the Burma Siam Railway of Bridge on the River Kwai fame to prison camps in Japan The Pampanito helped sink two of the prison

Submarine Diary Introduction

In today's digital age, the availability of Submarine Diary books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Submarine Diary books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Submarine Diary books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Submarine Diary versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Submarine Diary books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Submarine Diary books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Submarine Diary books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Submarine Diary books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Submarine Diary books and manuals for download and embark on your journey of knowledge?
