Feed your boss s ego Dress for success And don t let your heels trip you up on the corporate ladder Millions of women have held the position of secretary alternately lauded as a breakthrough opportunity and excoriated as dead end busy work From the female pioneers who infiltrated Capitol Hill offices during the Civil War to today s tech savvy administrative assistants secretaries have withstood criticism for abandoning their rightful sphere the home weathered the dubious advice of secretarial guide books taken hits from feminists and antifeminists alike and demanded the right to resist making coffee all while making their bosses look good In *Swimming in the Steno Pool* author secretary Lynn Peril profiles the various incarnations of the secretary from pliable sexy mate of the office husband to postfeminist executive in training drawing inspiration from a wide range of femorabilia and secretarial guidebooks of yesteryear Featuring an array of fabulous illustrations promoting office equipment and office girls alike Peril delivers a feisty witty celebration of the women who ve been running the show for decades
