**The Joseph Communications** Michael G. Reccia, 2011-06-30 Your Life After Death The book that answers life's BIGGEST QUESTION what happens to me when I die

According to Joseph the ancient highly evolved spirit who has lived in an enlightened sphere of reality beyond the veil for thousands of years there are countless opportunities and wonders awaiting you beyond physical death Communicated through respected trance medium Michael G Reccia this unique book is arguably the most comprehensive account ever written of what lies ahead for you when you leave this world behind Whether you re a spiritual seeker or simply curious as to what comes next this definitive guide to the afterlife will answer all your questions and be an essential source of comfort and inspiration read it and you ll never look at the next life or indeed this one in quite the same way again Joseph Some of the concepts we will talk about are frightening and they should be in the public knowledge some of them are uplifting and take souls to places beyond physical description in terms of beauty and love and ecstasy The book will give people a better grounding on the subject of death and the afterlife than has been given before in many books **If Life Is a Grocery Store, I Need Better Coupons** Keith Johnson,2011-02-21 I believe that every man has the potential to pull himself from the mud of which he was created up to the highest point of stardom to overcome the greatest of indignities whatever may be served to him and demonstrate the greatest of inspirational abilities making mankind far better for his appearance on this earth if he chooses as brief as it may be I believe that every man is sacred and when he realizes his individual worth he cannot help but strive for perfection and though he cannot find it in his own strength will realize that the God who made him loves him and will give him the strength he needs to overcome all tribulation and failure that we were made to be happy and excited about our existence and that we should live and learn to love life and embrace all it has to offer passionately eliminating the bad and enhancing the good for ourselves and our fellow man It is our God given responsibility to take this gift of life and the earth upon which we were given to live to learn to love God and our fellow man and that our journey is solely our own and affects all of us for the worse or the better according to the choices we make guided by our character And whether we like it or not all of our chosen activities affect each other and should lift up our fellow man as sacred and special as we lift ourselves up individually and to never forget that we are not here alone that God is watching every step we take and every action in our lives and we are held in judgment for how we treat ourselves our fellow man and our relationship with our Heavenly Father
