The Bomberman

Jake Thoene

The Bombmaker:

The Bombmaker Stephen Leather, 2009-06-25 Andrea Hayes was one of the IRA's most deadly killers. But when a misplaced bomb ripped apart a group of passing kids, she left all that behind her. Now years later she lives a quiet suburban life with her husband and young daughter and her days of violence seem a distant memory. But then her daughter is kidnapped by persons unknown and the past comes knocking at her door. PRAISE FOR STEPHEN LEATHER A master of the thriller genre Irish Times As tough as British thrillers get gripping Irish Independent The sheer impetus of his story telling is damned hard to resist Sunday Express

The Puppeteer Alan Refkin, 2025-01-27 Knowing its oil reserves will be depleted by the end of the next decade Saudi Arabia has implemented a strategic plan to maintain its global economic and geopolitical dominance. To avoid raising suspicions about the diminishing size of their oil reserves they've carefully managed their export levels. As a result the world is largely unaware of the impending decline in the Saudi oil supply despite a recent statement from one of their ministers that all resources extracted from the earth are finite and will eventually run out. Consequently for the past decade the Saudis have been secretly implementing a plan to transition to an alternative asset that the global community cannot do without. This operation has been conducted slowly and discreetly by an individual known only as the Puppeteer, the name reflecting their ability to manipulate nations, carry out assassinations and orchestrate events to ensure the success of Saudi Arabia's transition strategy. However when Mauro Bruno's investigation into the anomalies caused by this mysterious figure begins to unravel the Saudi plan before it can be fully implemented threatening to destroy a decade of meticulous work Bruno and his partners find themselves running for their lives while attempting to gather the evidence needed to expose the Saudi plan.

Don't Lie to Me Jeanine Pirro, 2020-09-22 Judge Jeanine Pirro author of two New York Times bestsellers exposes the lies and distortions of the president's enemies. It's been nearly four years since President Trump took office and Judge Jeanine Pirro has had enough of the left's countless lies and false accusations. She is now forced to ask How could anyone vote against President Trump this November? What more could you possibly want? In *Don't Lie to Me* Judge Jeanine brings her signature writing style and acute legal mind to topics such as the impeachment inquiry, the military and the road to the 2020 presidential election. She will highlight President Trump's triumphs and his strength during the coronavirus crisis.

"Over the Top" Arthur Guy Empey, 1917 Excerpt of the trench. One dead German was lying on his back with a rifle sticking straight up in the air, the bayonet of which was buried to the hilt in his chest. Across his feet lay a dead English soldier with a bullet hole in his forehead. This Tommy must have been killed just as he ran his bayonet through the German rifles and equipment were scattered about and occasionally a steel helmet could be seen sticking out of the mud. At one point just in the entrance to a communication trench was a stretcher. On this stretcher a German was lying with a white bandage around his knee. Near to him lay one of the stretcher bearers, the red cross on his arm covered with mud and his helmet filled with blood and brains. Close by sitting up against the wall of the trench with head resting on his chest was

the other stretcher bearer He seemed to be alive the posture was so natural and easy but when I got closer I could see a large jagged hole in his temple The three must have been killed by the same shell burst The dugouts were all smashed in and knocked about big square cut timbers splintered into bits walls caved in and entrances choked Tommy after taking a trench learns to his sorrow that the hardest part of the work is to hold it In our case this proved to be so The German artillery and machine guns had us taped ranged for fair it was worth your life to expose yourself an instant Don t think for a minute that the Germans were the only sufferers we were clicking casualties so fast that you needed an adding machine to keep track of them Did you ever see one of the steam shovels at work on the Panama Canal well it would look like a hen scratching alongside of a Tommy digging in while under fire you couldn t see daylight through the clouds of dirt from his shovel After losing three out of six men of our crew we managed to set up our machine gun One of the legs of the tripod was resting on the chest of a half buried body When
