The Carnal Myth Edward Dahlberg, 1968 *The Sorrows of Priapus* Edward Dahlberg, 1973-01-01 **The Sorrows of Priapus** Edward Dahlberg, 1957 Deals with the mind and mind in myth and experience A fable not natural history

Medieval Mythography, Volume Two Jane Chance, 2019-11-15 The second volume in Jane Chance's study of the history of medieval mythography from the fifth through fifteenth centuries focuses on the time period in Western Europe between the School of Chartres and the papal court at Avignon This examination of historical and philosophical developments in the story of mythography reflects the ever increasing importance of the subjectivity of the commentator Through her vast and wide ranging familiarity with hitherto seldom studied primary texts spanning nearly one thousand years Chance provides a guide to the assimilation of classical myth into the Christian Middle Ages Rich in insight and example dense in documentation and compelling in its interpretations *Medieval Mythography* is an important tool for scholars of the classical tradition and for medievalists working in any language *The Gospel According to the Apostles* John F. MacArthur, 2005-03-06 The apostles understood the Gospel as they learned from and personally lived alongside Jesus and these lessons became the heart of their message to an unsaved world But what does their perspective mean for modern Christians and how can we read the Bible through their unique lens today Following the release of his bestselling book *The Gospel According to Jesus* Dr MacArthur noticed that Christians were looking for practical advice spiritual counsel and accessible explanations of the Bible And most of all they wanted help understanding their experiences within Christianity Dr MacArthur realized that by examining scripture from the perspective of the apostles themselves even more Christians could come to know the Gospel as Jesus' earliest followers did In his characteristic compelling style Dr MacArthur examines some of the key passages from the Epistles and Acts that reveal how the apostles first shared the gospel and how they unfolded the truths of salvation to the early church Dr MacArthur doesn't shy away from answering some of the difficult questions that he's been asked over the years including What is cheap grace Have some Christians adopted a no lordship theology What must a person do to be considered righteous by God How should we call people to faith Do our works have any effect on our salvation *The Gospel According to the Apostles* is a book for every Christian who wants to experience understand and fall in love with the same gospel that Jesus preached *The Virgin Birth of Christ* J Gresham Machen, 2022-07-28 In what remains a widely discussed issue in contemporary theology J Gresham Machen's *The Virgin Birth of Christ* acts as both an introduction to the subject and a window into American Princeton theology in the early twentieth century Machen undertakes an encyclopaedic study of the different perspectives on the virgin birth He begins with a close reading of the scriptural accounts comparing and contrasting the stories of Jesus' birth told in Luke and Matthew Secular historical accounts are then considered as well as possible alternative theories including the likelihood of the story being of early Jewish or Pagan origin Machen's study was the definitive work on the virgin birth for the majority of the twentieth century and remains an invaluable resource both as an

apologetic work and as a time capsule of theological progress **The Virgin Birth of Christ** John Gresham Machen,1987-11 The question of the Virgin Birth of Jesus has been one of the most widely discussed as well as one of the most disputed subjects in the whole range of Christian doctrine **Twayne's United States Authors Series** ,1972 **The National Union Catalogs, 1963-** ,1964 **National Union Catalog** ,1978 Includes entries for maps and atlases *The Celestial Symbol Interpreted* Herbert William Morris,1883 *Prose* ,1972 **Edward Dahlberg** Fred S. Moramarco,1972
The Christ and the Creed ... Warren Akin Candler,1927 *The Utopian Way* John Veiby,1917 **Proceedings and Papers** Valentine David Davis,1911 **Human Sexuality** Joseph Richardson Parke,1906 **Dogmatic Theology** William Greenough Thayer Shedd,1888 *The Christian Science Journal* ,1919 **The National union catalog, 1968-1972** ,1973
