# The Case Is Altered

**Bartlett Jere Whiting**

## **The Case Is Altered:**

*Early American Proverbs and Proverbial Phrases* Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s *Dictionary of American Proverbs and Proverbial Phrases 1820 1880* It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious

**Ben Jonson** Ian Donaldson, 2012-02-20 Ben Jonson was the greatest of Shakespeare s contemporaries In the century following his death he was seen by many as the finest of all English writers living or dead His fame rested not only on the numerous plays he had written for the theatre but on his achievements over three decades as principal masque writer to the early Stuart court where he had worked in creative and often stormy collaboration with Inigo Jones One of the most accomplished poets of the age he had become in fact if not in title the first Poet Laureate in England Jonson s life was full of drama Serving in the Low Countries as a young man he overcame a Spanish adversary in single combat in full view of both the armies His early satirical play *The Isle of Dogs* landed him in prison and brought all theatrical activity in London to a temporary and very nearly to a permanent standstill He was almost at the gallows for killing a fellow actor after a quarrel and converted to Catholicism while awaiting execution He supped with the Gunpowder conspirators on the eve of their planned coup at Westminster After satirizing the Scots in *Eastward Ho* he was imprisoned again and throughout his career was repeatedly interrogated about plays and poems thought to contain seditious or slanderous material In his middle years twenty stone in weight he walked to Scotland and back seemingly partly to fulfil a wager and partly to see the land of his forebears He travelled in Europe as tutor to the mischievous son of Sir Walter Raleigh who caused him to be drunken and dead drunk and wheeled provocatively through the streets of Paris During his later years he presided over a sociable club in the Apollo Room in Fleet Street mixed with the most learned scholars of his day and viewed with keen interest the political religious and scientific controversies of the day Ian Donaldson s new biography draws on freshly discovered writings by and about Ben Jonson and locates his work within the social and intellectual contexts of his time Jonson emerges from this study

as a more complex and volatile character than his own self declarations and much modern scholarship would allow and as a writer whose work strikingly foresees and at times pre emptively satirizes the modern age

**The Killer Question** Janice Hallett,2025-09-23 Janice Hallett the new queen of crime Electric Literature returns with a fresh edge of your seat mystery that takes place at a pub s weekly trivia night revealed through quiz categories phone messages and email correspondence Sue and Mal Eastwood run an isolated rural pub called The Case is Altered where a weekly trivia game has revived its flagging fortunes that is until a body is found in the nearby river Soon after a mysterious new team arrives and shakes up the diverse field of regulars by scoring top marks in every round every week Meanwhile Sue and Mal have a secret of their own Before arriving here they were caught up in a secret police operation which meant they had to leave town and whatever happened back then seems to have finally caught up with them Five years later the pub lies derelict and their nephew Dominic is determined to make a documentary about their story What happened at this unassuming pub And can a single question really kill

Medieval and Renaissance Drama in England John Pitcher,2000 Medieval and Renaissance Drama in England is an international volume published every year in hardcover containing essays and studies as well as book reviews of the many significant books and essays dealing with the cultural history of medieval and early modern England as expressed by and realized in its drama exclusive of Shakespeare
