The true story of how a con man led a fake national charity while veterans were left to pay the price It s the untold story of the scam and how proceeds were then used to bankroll politicians and paved the way for one of the greatest breaches in White House history No one even questioned the charlatan known as Lieutenant Commander Bobby Thompson after he handed a Secret Service agent his stolen ID before being led into the Oval Office Even Thompson was a bit surprised at how easily he gained entrance He had come to believe he really was the head of a highly successful foundation benefitting veterans And he had no problem using large sums of the money to line the pockets of Republican politicians So what if the money never made it to the intended parties It had gotten him an invitation to rub elbows with the people with whom he belonged at least in his own mind Master of Deceit is the true crime story of one of the most outrageous criminal chameleons in U S History Bobby Thompson was born John Donald Cody a charming highly intelligent academic who could talk his way into anything He graduated from Harvard Law School and assigned to military intelligence where he was given assignments so top secret military records don t even mention his unit And he was loaned to a federal agency so classified it could never be named With his training and access he served as an asset to nation until something changed After a dozen years as a military spy Cody went AWOL When he resurfaced he was a seasoned criminal mastermind The fake identity Bobby Thompson was his favorite With this persona he eluded authorities to a point where many investigators gave up That is until a dogged team of U S Marshals a Secret Service agent and police detective hunted him down and ultimately helped bring him to justice Like the unraveling of an intricate spider s web Master of Deceit takes

readers through the meanderings of John Donald Cody on the run his capture and the startling revelation that perhaps some federal officials never wanted him caught The millions the charity collected have also never been found adding to the mystery that has yet to end **Furniture Manufacturer and Artisan** ,1920 **The Business Man's Library--Volume [1]-10. ...**
