The Big Kiss:

The Big Kiss O'Neil De Noux,2013 **Big Kiss, Bye-Bye** Claire-Louise Bennett,2025-10-21 Gorgeous and a little unnerving Reading it is a strange and wonderfully invigorating experience The New York Times A woman confronts the afterlife of intimacy in a deeply tender novel by one of our most acclaimed and inventive fiction writers The things that hold life in place have been lifted off and put away Uprooted by circumstance from city to deep countryside a woman lives in temporary limbo visited by memories of all she s left behind The most insistent are those of Xavier who has always been certain he knows her better than anyone better than she knows herself Xavier whom she still loves but no longer desires a displacement he has been unable to accept An unexpected letter from an old acquaintance brings back a torrent of others she s loved or wanted Each has been a match and a mismatch a liberation and a threat to her very sense of self The ephemera left by their passage a spilled coffee an unwanted bouquet a mind blowing kiss make up a cabinet of curiosity she inventories trying to divine the essence of intimacy What does it mean to connect with another person What impels us to touch someone to be touched by them to stay in touch How do we let them go In yet another tour de force of fiction Claire Louise Bennett explores the mystery of how people come into and go out of our lives leaving us forever in their grasp PC Mag ,1987-11-10 PCMag.com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology
