The Big Of Wag:

The Big Book of Wag! Joe Ollmann, 2005 *BLOODFIRE* James Axler, 2014-01-15 NUCLEAR LEGACY Life in twenty second century America is an odyssey of pain and death Savagely transformed by atomic fallout what remains of humanity endures an internecine war against those who thrive on chaos and bloodshed A legend in a violent land Ryan Cawdor lives and fights by his own rules as he and his companions traverse the grim world of Deathlands For as long as the future remains out of reach survival means living long enough to face a new day CITY OF THE DEAD Hearing a rumor that the Trader his old teacher and friend is still alive Ryan and his warrior group struggle across the treacherous Texas desert to find the truth But an enemy with a score to settle is in hot pursuit and so is the elusive Trader The preDark city of Sonora preserved for a century in the salt and sand of the nukescape becomes the staging ground for a showdown between mortal enemies where the scales of revenge and death will be balanced with brutal finality In the Deathlands the only law is lawlessness *DEVIL RIDERS* James Axler, 2014-01-15 LAW OF THE LAWLESS A century after the nuclear conflagration almost destroyed the world humanity endures in a lawless land Those who inhabit Deathlands are either killers or those who would be killed But an elite few defy the laws of this new natural selection playing both sides of the eternal game of life and death Ryan Cawdor and his band of warrior survivalists never leave a friend behind or a coldheart alive LEGEND REBORN Stranded in the salty desert wastes of West Texas Ryan and his companions find pre Dark wheels and set out on a treacherous journey across inhospitable terrain Hopes for a hot meal and clean bed in an isolated ville die fast when the companions run into a despotic baron manipulating the lifeblood of the desert water But it s his fortress stockpiled with enough armaments to wage war in the dunes that interests Ryan especially when he learns the enemy may be none other than the greatest and long dead Deathlands legend the Trader In the Deathlands the future is here but the past is never far behind **Cannibal Moon** James Axler, 2014-01-15 POUND OF FLESH In the hostile new world of postnuclear America there are many ways to die but few are clean or quick Long ago Ryan Cawdor and his band threw in their lot together to do or die trying It was a pact sealed in blood one of selflessness and sacrifice that put a premium on the value of loyalty friendship and honor and the blind faith that survival is a better option than certain death FEEDING FRENZY Compassion is a luxury in a brutal land where life is cheap but Dr Mildred Wyeth holds fast to her physician s oath to show mercy Now she s stricken by a plague that brings on a deep craving for human flesh Unwilling to lose one of their own to this pervasive pestilence without a fight the companions follow the trail to Cajun country where the mysterious queen of the Cannies is rumored to possess the only antidote to the grim fate that awaits Mildred and perhaps her warrior friends **The Early Pioneers and Pioneer Events of the State of Illinois** Harvey Lee Ross, 1899 The New Boys' World , 1906 **Desolation Crossing** James Axler, 2009-07-01 Survival is a dangerous enterprise in the aftermath of a nuked America Humanity perseveres but the Deathlands code is far simpler kill or be killed live or die trying Driven by the fires of hope a resilient band of warriors traverse the new frontier of the future

survivors by skill and legends by reputation The legend of the trader returns in the simmering dust bowl of the Badlands the past calling out to armorer J B Dix Her name is Eula Young silent and lethal she s part of a new trading convoy quick to invite Ryan Cawdor and his band on a journey across the hostile terrain But high tech hardware fast wags flowing jack and friendly words don t tell the real story behind a vendetta that is years in the making *Ballou's Monthly Magazine* ,1886 Desert Kings James Axler,2008-03-01 More than a century past the fiery dawn of post nuclear America Ryan Cawdor and his companions journey across a land lost yet reborn where lawless violence and human perseverance clash and unsolved mysteries hint at redemption Though hope lingers under the blood and the dust looking blindly toward the future is the surest way to get killed Staying hard and cold for today is the only way to survive Traversing the terrain of Utah Ryan Cawdor and his warrior survivalists find new evidence that the past is alive and dangerous with a score to settle Once before they d battled and destroyed the brilliant and cunning cyborg known as Delphi but he s reborn and ready to continue his drive for domination His vast understanding of preDark tech his cadre of well armed cutthroats and his legions of worshippers make him monstrous in his quest for power And he s eager for the keys to the kingdom that only the legendary Deathlands survivors and their secrets can help him attain The Listener ,1934 Wretched Earth James Axler,2012-07-01 INTEGRITY LOST After the Megacull the weak died off so that a century later the living have descended from only the toughest stock Still it takes more than strength to survive Deathlands It takes skill cunning and a warrior s heart But for Ryan Cawdor staying alive isn t just about living In this nuke transformed America it helps if somewhere deep inside there s hope of finding something better WALKING DEAD A virulent strain of a predark biolep has been unleashed upon the denizens of northern Kansas turning them into rotting flesh eating monsters Running from the mindless soulless rottie hordes Ryan and his companions arrive in the civil war torn ville of Sweetwater Junction They ve got one shot at beating the hungry rotties turn the bloodlust of the ville s warring factions away from each other and toward a common enemy But that means splitting up and hiring on as sec for both sides and surviving the firefight before the real hell is unleashed In Deathlands time is blood **DAMNATION ROAD SHOW** James Axler,2014-01-15 HELL ROAD In the ruins of a nuke shattered America every man woman and child of the apocalyptic frontier makes a perilous journey to the future But there is a fork that divides the path toward humanity reborn and the road deep into the hell that is Deathlands Ryan Cawdor made his choice long ago in this barbaric new world that conspires against hope MONSTERS MUTIES AND FREAKS Eerie remnants of pre Dark times linger a century after the nuclear blowout But a traveling road show gives new meaning to the word chilling Ryan and his warrior group have witnessed this carny s handiwork in the ruins and victims of unsuspecting villes Even facing tremendous odds does nothing to deter the companions from challenging this wandering death merchant and an army of circus freaks And no one is aware that a steel eyed monster from the past is preparing a private act that would give Ryan star billing In the Deathlands all you get is a one way ticket *Exhibitors Daily Review* ,1923 *To-day*
