# The Birth Of Britain

**Winston 1874-1965 Churchill**

## **The Birth Of Britain:**

**The Birth of Britain** Winston S. Churchill, 2013-04-29 The first volume of the Nobel Prize winning prime minister's breathtaking history of Britain explores the birth of a great nation and world power In the wilderness years after World War II he turned his masterful hand to an exhaustive history of the country he loved above all else And the world discovered that this brilliant military strategist was an equally brilliant storyteller In 1953 the great man was awarded the Nobel Prize for Literature for his mastery of historical and biographical description as well as for brilliant oratory in defending exalted human values In this first of four volumes exploring the history of the United Kingdom *The Birth of Britain* begins with Caesar's invasion in 55 BC and continues through the establishment of the constitutional monarchy the parliamentary system and the people who played lead roles in creating democracy in England The History of the English Speaking Peoples series remains one of the most compelling and vivid collections of history ever written This history will endure not only because Sir Winston has written it but also because of its own inherent virtues its narrative power its fine judgment of war and politics of soldiers and statesmen and even more because it reflects a tradition of what Englishmen in the hey day of their empire thought and felt about their country's past

Media, 2022-04-15T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 In the year 699 the Proconsul of Gaul Gaius Julius Caesar turned his attention to Britain He knew that the island was inhabited by the same type of tribesmen who confronted the Roman arms in Gaul and Germany 2 Caesar was planning on invading Britain and had sent an officer in a warship to spy out the Island shore He had concentrated the forces that had defeated the Veneti in two ports or inlets nearest to Britannia and he was waiting for a suitable day 3 The first time the Island was linked with the rest of the world was when it was invaded by Neolithic culture This culture had a primitive agriculture and they scratched the soil and sowed the seeds of edible grasses They made pits or burrows which they gradually filled with the refuse of generations 4 The first Bronze Age in Britain was marked by the discovery of copper and tin which were too soft and too

brittle for their original purpose but were blended by human genius to open the Age of Bronze
