The Blood Mother:

Blood Mother Courtney McClellan, 2008 **Kerri's Curse: Mixed-Blood Mother of Madness** Kerri Shaw, 2009-10 We open with the introduction of Henry and Melvina parents to Gabriel Nicole Stephanie David and Kerri Kerri is the voice of the story She details the troubles of growing up in an abusive alcoholic family with a mentally disturbed mother As David and Kerri play in the yard Henry often drunk falls to sleep as Melvina engages one of their explosive arguments Melvina who could pass for white often laments marrying a black man And so the fights ensue with the racial epithets flying David older and protective of Kerri will pull her down the hall and hide in the bedroom to listen while preparing for the worst Kerri s Curse is the story of a family torn apart by a mother s internal battle with race and alcoholism who believes her children are just little niggers anyway and what the children do just to survive **The Blood-Stained Necklace: A Mother's Deadly Gifts** Mira Morgan, Mira s mother is poor yet she showers her with expensive jewelry But with each gift a young woman in the city dies a gruesome dismembered death When Mira receives a custom rose gold necklace with a red eyed deer pendant she discovers it s an exact match to the one worn by the latest victim a college student found decapitated As Mira confined to a wheelchair after an accident digs deeper the horrifying pattern emerges a bracelet for a severed hand earrings for a severed ear a ring for a severed finger Now with the bloody necklace in her possession and her mother acting increasingly suspicious locking herself in the kitchen washing away mysterious stains Mira must confront a terrifying truth Is her gentle loving mother a serial killer crafting morbid souvenirs from her victims In a chilling game of cat and mouse where every gift is a clue Mira must uncover her mother s dark secret before she becomes the next piece in this deadly collection **Ancient Egypt** Gerald Massey, 2007-03-01 With his earlier two series in Egyptology Gerald Massey turned existing doctrine on its head to argue that not only had Egypt spawned human civilization but that Egyptian mythology was the basis for Jewish and Christian beliefs The culmination of his years at this particular intellectual pursuit *Ancient Egypt The Light of the World* is Massey s crown jewel In this the most philosophical in both tone and concept of his Egyptological works Massey ever the intrepid escort leads a tour through thousands of years of sociological cultural and spiritual development all the while pointing with dazzling reason and persuasive prose to a distant common Egyptian origin British author GERALD MASSEY 1828 1907 published works of poetry spiritualism Shakespearean criticism and theology but his best known works are in the realm of Egyptology including *A Book of the Beginnings* and *The Natural Genesis* **Blood Mother** Carla Shore, 2023-11-16 Calina remembered very little from her life before it was stolen from her As she cradled the sleeping boy in her arms she tried to recreate the one thing she could never forget the feeling of being a mother She hummed softly the way she had for her own children and kissed his cool cheek When she had spent every moment she could with him and the sun threatened to rise she fed from his tiny throat It was euphoric but it lasted only for a moment Then the hunt to find another would begin Stone Hoyt was assigned to the solve a string of child killings that everyone believed was the work of a serial killer on the

loose But Stone was more than a street cop and knew firsthand the work of the undead His past experience and training would lead him to network the underground and invade the nests Finding the vamp that decided children were acceptable targets And when he did there would be no hesitation in putting a stake through its heart and sending it back to hell where it belonged Stone would gladly go there himself as long as the vamp was with him *Defining the Family* Janet L.

Dolgin,1999-08 *Defining the Family Law Technology and Reproduction in an Uneasy Age* provides a sweeping portrait of the family in American law from the nineteenth century to the present The family today has come to be defined by individuality and choice Pre nuptial agreements non marital cohabitation gay and lesbian marriages have all profoundly altered our ideas about marriage and family In the last few years reproductive technology and surrogacy have accelerated this process of change at a breathtaking rate Once simple questions have taken on a dizzying complexity Who are the real parents of a child What are the relationships and responsibilities between a child the woman who carried it to term and the egg donor Between viable sperm and the wife of a dead donor The courts and the law have been wildly inconsistent and indecisive when grappling with these questions Should these cases be decided in light of laws governing contracts and property Or it is more appropriate to act in the best interests of the child even if that child is unborn or even unconceived No longer merely settling disputes among family members the law is now seeing its own role expand to the point where it is asked to regulate situations unprecedented in human history Janet L Dolgin charts the response of the law to modern reproductive technology both as it transforms our image of the family and is itself transformed by the tide of social forces **Black Female**

Vampires in African American Women's Novels, 1977-2011 Kendra R. Parker,2018-11-09 This book critically situates the figure of the black female vampire in several fields of study including literary studies cultural studies gender studies and critical race studies Black female vampires continue to appear as important literary devices and revealing indicators of cultural attitudes and trends about African American women s bodies This book examines five novels written by four African American women writers to investigate what it means to represent African American womanhood through the lens of vampirism interrogate how these representations connect to or stem from historical representations of African American women and explore how representations of black female vampires in African American women s literature simultaneously negate reinforce or dismantle stereotypes of African American women **Proceedings** ,1917 *The American Journal of the Medical Sciences* ,1903 **The American Year-book of Medicine and Surgery** ,1897 *New York Court of Appeals.
