**The Borders Just Beyond** Joseph Payne Brennan,1986     *Just Beyond Tomorrow* Bertrice Small,2011-04-07 Capturing the hearts and imaginations of millions worldwide Bertrice Small's novels always deliver the lush sensuality her readers expect In *Just Beyond Tomorrow* Jasmine's strong willed son Patrick Leslie continues Skye's Legacy when he takes a wife who wants no husband *Just Beyond Tomorrow* With his father dead and his mother in France Patrick Leslie Duke of Glenkirk discovers the obligations of the estate and its people are now his alone But during a day of hunting a chance meeting ensures that he will not be alone much longer for to obtain the deserted castle and lands adjoining his Patrick must agree to take something else as well a bride Flanna Brodie heiress to Brae is as vibrant and beautiful as the Scottish countryside and just as wild She wants no man only her freedom But the passions Patrick awakens in her run deeper than those of the flesh The independent Flanna is determined to champion the royal Stuarts cause and restore Charles II to his throne despite her husband's objections Patrick knows the dangers of such political intrigues that the Stuarts have always brought misfortune to the Leslies of Glenkirk and that a roguish king will ask far more of the naive duchess than a simple vow of fealty forcing Patrick and Flanna to choose between the threat of wounded pride and the promise of a lasting love both secretly yearn for

Buenger,Arnoldo De León,2011-01-27 In 1991 Walter L Buenger and the late Robert A Calvert compiled a pioneering work in Texas historiography *Texas Through Time* a seminal survey and critique of the field of Texas history from its inception through the end of the 1980s Now Buenger and Arnoldo De León have assembled an important new collection that assesses the current state of Texas historiography building on the many changes in understanding and interpretation that have developed in the nearly twenty years since the publication of the original volume This new work *Beyond Texas Through Time* departs from the earlier volume's emphasis on the dichotomy between traditionalism and revisionism as they applied to various eras Instead the studies in this book consider the topical and thematic understandings of Texas historiography embraced by a new generation of Texas historians as they reflect analytically on the work of the past two decades The

resulting approaches thus offer the potential of informing the study of themes and topics other than those specifically introduced in this volume extending its usefulness well beyond a review of the literature In addition the volume editors introduction proposes the application of cultural constructionism as an important third perspective on the thematic and topical analyses provided by the other contributors Beyond Texas Through Time offers both a vantage point and a benchmark serving as an important reference for scholars and advanced students of history and historiography even beyond the borders of Texas
