cultural and historic legacy One of the unfavourable aspects of tourism is its impact upon the environment and society as a
whole The papers that comprise this volume examine the problem and offer suggestions and solutions Planning and
management for tourism growth is becoming essential in the context of sustainable development Particularly so since many
tourist destinations are facing severe pressures from tourist flows and activities Such pressures are evidenced in terms of
dysfunctions congestion environmental degradation etc which ultimately affect the attraction and competitiveness of tourism
destinations The development of tourism should be considered in accordance with sustainability principles In this context
respecting the capacity of the local system to sustain growth becomes a key challenge **The Challenge of Leisure**
