*Braai* Reuben Riffel, 2015-10-15 The quintessential South African cooking style. Reuben takes you on a roadtrip through his past from hunting and cooking pigeons on the farms of Franschoek as a kid to his travels. Delving into the business of naming, rites, the politics of the braai, the logistics of the braai, the timeline, and the importance of developing a relationship with your butcher, Reuben covers the basics before getting into the meat of the matter. Throughout the book, tips and tactics and wine and beer food pairings are dispersed liberally, while braai myths are blown out of the water. The dishes are unmistakably South African in flavour and feel. From new versions of standard rockstar South African ingredients to digging deep into the spectrum of what is possible on a braai.
