The Christian Existentialist Bernhard Häring, 1968-03 *Studies in Christian Existentialism* John Macquarrie, 1965-01-01

Christianity and Existentialism William A. Earle, William Earle, James M. Edie, John Wild, 1963 Heidegger Sartre and the later existentialist philosophers inherited a world it has been said from which God is absent Contemporary philosophy begins in the momentous questioning of the Christian experience by such nineteenth century figures as Nietzsche and Dostoyevsky But if existentialism is in some respects a beginning again it is in other respects linked to the classical world out of which Christianity arose and to certain themes in the writings of ancient and medieval Christians Renewal and innovation converge Addressing themselves to the general reader the three author philosophers consider both the contemporary and the perennial Book jacket

Existentialism and Christian Zen A William McVey, 2012-10-26 It is a small book written for readers without an in depth background in philosophy especially existentialism It is an examination of the interface between Christian meditation and Zen Buddhism It is contextual and as of yet I have not included the meditation workshop book that I use when I am giving workshops on Christian Zen meditation Presently it is really in the format of an in depth essay The style is similar to one of your publications that had led me to your site i.e. Emotion and Psyche Marc Jackson I have presented this workshop also on college campuses in the midwest and it was received well It helps greatly clarify the nature of a promising and
