The Christian Experience Jeff Coulter, Suzanne Coulter, 2022-01-22 The Christian Experience answers some of the questions most people ask about what it means to be a Christian What do I have to do Where do I start What should I expect Why should I go to church Can I trust people in church Why is there so much suffering in the world There are two camps that will be discussed in this book while discussing Christianity The Milk and the Meat of the Word If you aren't familiar with the expression The Milk it represents new or baby Christians who are just starting out in their relationship with Christ and need to feed on The Milk of the Bible The Meat represents the mature Christians who are established in their relationship with Christ and feed on The Meat of the Bible which is its deeper meaning The walk with Christ can be confusing for new Christians and mature Christians can become complacent or even misguided Our goal in writing The Christian Experience is to discuss the different aspects of Christianity and for the reader to come away with a more in depth understanding of the subject matter It is not intended to offend anyone or represent the absolute authority of what we as the authors believe is the only and absolute path to Christianity On that note if you are offended by a topic in this book then it is probably speaking to your heart Take a knee and examine your walk with Christ All aspects of The Christian Experience are biblically based and meant to encourage new Christians and at the same time edify mature Christians Though this book cannot possibly cover everything it will help you focus on a few rudimentary and a few in depth topics and hopefully give you a more insightful perspective to help with your personal walk of faith in Christ As with all aspects of the Bible and our walk with Christ we should follow Paul's word to Timothy Study to shew thyself approved unto God a workman that needeth not to be ashamed

Tozer,2011-09-09 What Does it Mean to Be Crucified With Christ During his lifetime renowned teacher A W Tozer was often invited to speak at seminaries churches and Bible conferences on the topic of the cross and its meaning for the Christian life Now in this never before published distillation of his best teaching on the subject you will gain a fresh understanding of the cross s centrality to your walk of faith in Christ The apostle Paul declared in his letter to the Galatians that he had been crucified with Christ But what does this mean Is this a claim every believer can and should make The Crucified Life is a comprehensive examination of these questions answered with the deep biblical thinking for which Tozer was revered God is ingenious in developing crosses for His followers Tozer was fond of saying At the heart of this book you will find a call to follow Christ to the cross and be raised to new life a call to live the crucified life The Christian Experience James J.
