The Confusion Of Realms:

The Confusion of Realms Richard Gilman, 1970 **Taleworlds and Storyrealms** K. Young, 2012-12-06 Beginning is the hardest ITPment not because openers are all that scarce but because you're blowing into cracking a universe. Maurice Natanson openings are already directed toward closings. The first question in presenting a body of work is where to cut in. This is an especially difficult question since the cut in provides a perspective on what follows. A cut is an angle of entry. Wherever I enter from there a realm unfolds itself. In that sense my angle of entry is my point of view. A realm cut into has an orientation. It evidences a hierarchy of importance, relevance, accessibility, value, or logic. Its content is no longer neutral and equivalent. From my perspective the realm is not only differentiated in substance but differential in significance. There is a relation between angles and attitudes. Where I look from is tied up with how I see. The first cut opens out into a frame of reference. What counts as lines of evidence in that realm materialize along with its background, expectancies, its assumptions, concentrations, and confusions, its cosmology, quirks, and enchantments. Hence, once I am committed to a perspective, I am implicated in a methodology, one possessed of puzzles of a certain shape, ITPping toward solutions within its orthodoxy. Openings are directed toward closings. Another cut would open onto another realm. The realm of events I cut into is a Taleworld inhabited by characters acting in their own space and time.

The Broken Realm (Kingdom of the White Sea Trilogy) Sarah M. Cradit, 2021-03-23 The treacherous, magical, seductive world of Kingdom of the White Sea introduced by USA Today bestselling fantasy author Sarah M. Cradit in *The Kingless Crown* continues in this thrilling sequel *The Broken Realm*. The crown demanded everything. The kingdom will answer. Chaos paints the White Kingdom. Missing children, dead nobles, and a daring escape have created an upheaval that threatens the future of the entire realm. The lords and ladies are armed with a powerful secret weapon as they prepare to make a stand against the crown, but the resistance has plenty to overcome before they can claim triumph. The lordless Westerlands prepares for war with the formidable Quinlanden Guard, spreading their men and cruelty to every corner of their Reach. In the Easterlands, the sorcerer Mortain cultivates his ominous influence over the enslaved Saleen, a decisive threat he could unleash upon the kingdom with a snap of his finger. To the kingdom, it appears as if these assaults on their freedom are cosigned by the crown. It seems only a matter of time before the king's victory becomes total. But from his isolated throne in Duncarrow, King Eoghan has discovered his authority is not absolute. There are other powers at play, as sinister as they are resilient. Those close to him curate the facts he is fed, keeping him tucked away in the dark while they issue orders in his name. As his control spirals and opposing forces gain ground, the king's fragile resolve turns to desperation. Yet across the kingdom, a quiet but powerful awakening of magic is taking place. One that began generations ago on a cold night in Duncarrow. For content warnings, please visit sarahmcradit.com.

The Vanishing Realms James A. Hall, 2023-08-09 The Dragon Council has sent forth a summons for all dragons and riders to assemble at Dragon Hall at once. Some of the realms visited by way of the Mist Trail for countless cycles have vanished. Sixty

cycles later Storm Rider or Rogue Dragon or Dragon of Fire and Ice at the request of a friend has located Rider Dorma the untrained and brought her to the Dragon Hall to appear before the council Then at the request of the council the two set off to seek the reason for the vanishing realms As they travel they meet with old friends of the dragon as well as making some new ones As they travel they find they must fight tones and dragon tones created by the dark arts of the blood and crimson sorcerers and a host of monsters out of nightmares Finally they return to Cormac Realm to stand before the Dragon Hall with the other dragons and riders in a great battle to decide the fates of all the realms
