Flipping Numbers PT 1 Ernest Morris,2015-01-01 TEXT GOOD2GO to 31996 To receive new release updates via text message EJ is a normal guy living a normal life that is until he meets Maria a woman that changes his life forever Maria teaches him how to make fast money by just flipping a few numbers EJ quickly goes from a regular joe to a man of power But he s forced to learn the hard way that with more money comes more problems and with more problem EJ is forced to keep flipping numbers Step into EJ s world where money rules and one bad flip can end your life Parallel III - Demon Hunters Paul A Rice,2010-12-01 Kenneth Robinson thinks the worst is behind them that all the blood and tears are nothing but memories that all he has to do is live in peace with the others on the farm He s wrong And if he thinks he s seen the Demon at its worst he ll be wrong again This time the journey is going to test him to the limits all of those experiences from his past are going to be needed now Ken s days of killing people are coming back to stare him in the face The Demon is on his knees if Ken can get the others to a place where the Dark One is planning a final showdown get them there and tear it apart then the nightmare will be over He just has to prepare them for the battle a simple task and one in which he relishes But as is always the case when dealing with these strange parallels things are never quite as they seem sometimes they are the exact opposite He s about to learn that some people will give everything in the pursuance of their own goals From the tranquillity of the farm to the insanity of jumping across time from the love of his friends to the fearful hatred of his enemies Ken s journey will take him to the edge of reason The only thing he needs to do is keep smiling smiling and shooting Cassette Books Library of Congress.
