They Died In Silence A Woman Steps Forward:

The House of the Dead Hillaree Liston, 2018-05-11 The Mansion A home for the grieving and traumatized of elite society People are dying to get in but she's dying to remember how she arrived and what happened before she got there She spent her days confused and disoriented wandering between dank rooms and dark hallways The other inhabitants seemed to be even more confused than she was They said the strangest things She believed they were all there for the same reason until they started asking her the question The same question over and over again How did you die **Silent Death** Ron Ripley, Scare Street, 2019-07-19 For Subject B death is only one scream away As war veteran Marcus Holt and the others struggle to escape Worth's haunted village they find themselves stalked by a new enemy A paranoid psychotic this demented soul hears voices in her head and is convinced that people are talking about her Armed with her hatchet she is determined to murder everyone in the village to silence them all No matter how far they run this maniacal spirit is always one step behind them listening for the slightest sound But this deadly specter isn't the only foe they must face The sadistic Professor Worth has set his eyes on one of the subjects with orders to eliminate anyone who gets in the way Marcus must find a way to save him at all costs But he is exhausted battered having fought against the worst nightmares imaginable and suffering grievous injuries in every battle Death is coming for Subject B and his friends And this time he may be powerless to stop it **Silent Are the Dead** D. M. Rowell, 2024-11-19 A Kiowa woman faces new threats to her tribe and identity while struggling to keep her Silicon Valley business afloat She must search deep within herself to find answers and a murderer in Mary Higgins Clark Award finalist D M Rowell's thrilling sequel perfect for fans of Winter Counts While back on tribal land Mud Sawpole uncovers an illegal fracking operation underway that threatens the Kiowas ancestral homeland But there's an even greater threat a local businessman involved in artifact thefts is murdered and a respected tribe elder faces accusation of the crime After being roped in by her cousin Denny they begin to investigate the death while also pursuing evidence to permanently stop frackers from destroying Kiowa land water and livelihoods When answers evade her Mud heeds her grandfather's and great aunt's words of wisdom and embraces Kiowa tribal customs to find the answers that she seeks But her ceremonial sweat leads to a vision with answers wrapped in more questions Mud and Denny race against the clock to uncover the real killer and must face the knowledge that there may be a traitor and a murderer in their midst It's already too late for one victim and Mud may be next **The Queen of the Dead** Michelle Sagara, 2021-12-07 Now available in omnibus format the Queen of the Dead trilogy tells the gripping tale of a teenage girl who discovers her powers of necromancy after the death of her boyfriend It began in the graveyard Ever since her boyfriend Nathan had died in a tragic accident Emma had been coming to the graveyard at night During the day she went through the motions at her prep school in class with her friends but that's all it was For Emma life had stopped with Nathan's death But tonight was different Tonight Emma and her dog were not alone in the cemetery There were two others there Eric who had just started at her school and an ancient

woman who looked as though she were made of rags And when they saw Emma there the old woman reached out to her with a grip as chilling as death Emma was not quite like other girls It was true that other girls had experienced grief Other girls had also lost their fathers or had their boyfriends die in senseless accidents But though she hadn't known it till that night in the graveyard unlike those other girls she could see touch and speak with the dead Follow this gripping saga as Emma must learn to navigate her powers and the responsibilities that accompany them **Forthcoming Books** Rose Arny,1993
