## **They Must Go:**

**They Must Go** Meir Kahane, 2019-04-08 Every day writes Rabbi Meir Kahane the Arabs of Israel move closer to becoming a majority Are we Israel committed to national suicide Should we allow demography geography and democracy to push Israel closer to the abyss According to Rabbi Kahane Israel can only be sustained by a permanent Jewish majority and a small insignificant and placid Arab minority But the Arab population continues to grow quantitatively and qualitatively They feel no ties for a state that breathes Jewishness They mockingly accept moneys from the National Insurance Institute for medical services tuition and social welfare yet they pay little or no tax Even worse they openly vow to destroy the Jewish state not with bullets or bombs but with the democratic vote Is there a solution Rabbi Kahane insists Yes In this explosive manifesto Rabbi Kahane sets forth the only plan to save Israel Israeli Arabs would be given the options of accepting noncitizenship leaving willingly with compensation or being forcibly expelled without compensation Controversial Yes Could the Arabs be convinced to leave We will not come to the Arabs to request argue or convince says Kahane For Jews and Arabs in Israel there is only one answer separation Jews in their land Arabs in theirs Separation Only separation They Must Go was written in 1980 while Rabbi Meir Kahane was jailed in Ramle Prison by the Israeli government under an unprecedented administrative detention order that imprisoned him without a trial without his being informed of any specific charge and without opportunity to know or to question any alleged evidence or witness His crime his philosophy concerning the danger that exists to the state of Israel by the very presence of its large and growing Arab population Rabbi Kahane's ideas were suppressed twisted defamed and subjected to emotional and hysterical diatribes by people who were too frightened to consider them intelligently or to debate them intellectually Is there a time bomb ticking away relentlessly in the Holy Land Can Arabs and Jews ultimately coexist in a Jewish Zionist state Rabbi Kahane's only answer They Must Go
