*Chinua Achebe's Legacy* Ogude, James, 2015-12-01 Chinua Achebe's novels and essays have always drawn our attention to issues of memory, the story, history, and our own obligation to history as Africans. Achebe constantly goes back to the authority of narrative, the story, and as the subsequent generations of African writers like Chimamanda Adichie keep returning to to celebrate Africa's many stories, its moments of failure and triumph. Achebe more than any other writer on this continent has inspired many and hopefully the African story tellers of the coming centuries, irrespective of their location, will continue to be inspired by him. This collection of essays is an enduring tribute to this rich legacy of Achebe.
