**Think Better, Feel Better** Gwen Roberts, 2004-08 The meat of the story concerns the adventures of three women against the world during World War II or the unconquerable human spirit Cynthia Lynn was eight years old in 1944

when the Russians returned to Latvia Although her mother Alisa hated both the Germans and the Russians she agreed to sing at the German Officers Club without pay on the promise that if the Russians returned the Germans would help her family get out of Latvia They kept their promise The men decided to stay with their property in Latvia in case the war ended soon so Zinta Cynthia her mother and grandmother left Latvia on a cold and rainy night on the back of a German Army truck With little more than the clothes on their backs they endured starvation deprivation inclement weather and all the inconveniences of war when one is trying to escape the whole time dodging bombs akak guns and machine gun fire from both the Russians and the Germans This story has an ethereal aspect to it because during this whole time Cynthia was sure that a guardian angel was looking after them because of certain incidents that happened along the way Two or three times they were given advice to move on by some mysterious stranger who disappeared soon after and the place they had just left was bombed to rubble almost immediately After arduously making their way to Wiesbaden and spending many months there the Americans marched in and the war was over in Europe After an ocean voyage the three ladies saw the beauty of The Statue of Liberty for the first time on Christmas Eve 1950 The air of freedom and beauty surrounding Cynthia was just too much for her to bear bringing tears to her eyes Being as beautiful as she was she soon found herself in the whirl of show business as a model dancer actress working for the likes of Johnny Carson Jackie Gleason and Bess Myerson and acting in movies with Marlon Brando and many well known actors of that era Spending time in a rocky marriage her husband was very jealous she was soon cast in the only female part in the original cast of Hogan s Heroes Since her marriage seemed to be an on and off affair she fell in love with Bob Crane on the set of Hogan s Heroes leading to very hot affair Obviously the above is just a smattering of the events that took place and you ll have to enjoy reading the book for all the details and to see how it ends

*Authentic Classroom Management* Barbara Larrivee,2005 It is essential for classroom teachers to be reflective It is critical that they be aware of their own biases and prejudices Larrivee does an excellent job of gently guiding the teacher through a look at his her past The first chapter creates a comfort zone with which the teacher continues to look at his her past and consequently at his her treatment of children Dr Patricia A Pintar St Mary of the Woods College *Authentic Classroom Management* addresses the basics of classroom management by narrowing the gap between theory and practice to provide realistic and collaborative management options This easy to read practical text presents a broad theoretical background while focusing on the belief that effective classroom management requires careful preparation and goes beyond learning discrete skills The text promotes a multi dimensional and reflective perspective for managing classrooms that will prepare prospective and in service teachers to successfully manage today s diverse classrooms Highlighting a comprehensive range of strategies and philosophies the text encourages alternative ways to support positive classroom behaviors Its many exercises offer opportunity for skill development through reflection and self questioning emphasizing proactive ways of interacting with students to create and sustain a supportive learning community Package this text with MyLabSchool a
