organizations in which they work Michael J Merenda earned his Ph D at the University of Massachusetts Amherst He is a professor of strategic management and entrepreneurship at the Peter T Paul College of Business and Economics at University of New Hampshire Durham where he also directs the university s annual Holloway Prize Innovation to Market Competition Dr Merenda s research interests include the role of entrepreneurial education in fostering entrepreneurship and the strategic use of information technology in market competitiveness His work has appeared in the Case Research Journal International Journal of Case Method Research and Application and the Sloan Management Review among others Dr Merenda also co authored with Ross Gittell and Matt Magnusson The Sustainable Business Case Book *Making Strategic Leaders* N. Laljani,2009-09-16 Motivated by a desire to improve the effectiveness of the development of strategic leaders this book focuses on the individual charged with shaping strategy and leading change in organizations It offers a new and insightful model of strategic leader capability and challenges much of the received wisdom of the leader development industry Understanding Company Strategy Brian Houlden,1996-08-13 The first edition of this book was written for students of strategy and executives who need to understand strategic thinking The excellent response to the book from both groups has led to this revised and updated edition Understanding Company Strategy remains a highly accessible and practical book which reflects the author s many years of experience in advising companies on their strategic needs

Understanding Company Strategy Brian Thomas Houlden,1990 Strategic Public Relations Writing Jim Eggenesperger,Jeanne Salvatore,2022-06-28 Putting strategy front and center this public relations writing textbook coaches students to readiness for a career as an effective strategic communicator The book focuses on the strategic aspect of public relations writing that distinguishes it from other writing such as journalistic or academic It highlights the essential types of writing necessary for effective public relations in multiple media channels demonstrated by contemporary cases direct from practitioners working today Overviews of the various tactical formats that must be mastered for powerful strategic public relations ranging from social media posts and website updates to podcasts speeches and infographics prepare students to be effective and up to date professionals Full of examples and exercises the book s strength is in its practical utility for career preparation and success This text is suited to public relations writing courses at the undergraduate and postgraduate level particularly those with a focus on strategy or that combine strategy and writing into one course Online resources include chapter outlines a testbank sample homework paper and portfolio building assignments and lecture slides They can be accessed at www.routledge.com/9781032163871 Open Strategy for Digital Business Ewa Lechman,Joanna Radomska,Ewa Stańczyk-Hugiet,2024-05-29 This book offers the reader a novel perspective on how digital contexts and open strategy approaches the act of opening up strategic initiatives beyond company managers to involve front line employees stakeholders and entrepreneurs are related Going beyond the claim that digital media drives open strategy by containing a detailed analyses of the interrelations between the two the authors examine how ICT have diffused globally and trace the

emerging links between digitally driven environments and open strategizing approaches This book also draws a general picture of how and why digital technologies create new networks A more competitive transparent empowered and inclusive environment would enhance development and encourage novel approaches to strategies implemented Real life exemplifications of how and why digital technologies contribute to open strategizing are also provided Various drivers impacting the necessity to develop more relational advantage are discussed and intertwined with the description of challenges observed in the case of imposing openness A useful resource for researchers of strategic management and information systems as well as those looking at digital strategy and transformation

Becoming a Strategic Leader

Richard L. Hughes, Katherine M. Beatty, David Dinwoodie, 2014-01-21 In the second edition of the best selling *Becoming a Strategic Leader* Richard L Hughes Katherine Colarelli Beatty and David L Dinwoodie draw from the Center for Creative Leadership's CCL acclaimed *Leading Strategically* program to offer executives and managers a comprehensive approach to strategic leadership that reaches leaders at all levels of organizations This thoroughly revised edition concentrates on practical tools for producing impact right away The authors place special emphasis on three essential strategic components discovering and prioritizing strategic drivers which determine sustainability and competitiveness leadership strategy which ignites the connections between people critical to enacting the business strategy and how to foster the individual and organizational learning that is foundational to sustained performance The authors and other leadership development professionals have used the distinctive and systematic approach described in this book with great success in CCL's *Leading Strategically* program The second edition also contains improved self assessments that help to align the book's lessons learned with the program's current practices Readers will find fresh suggestions about developing the individual team and organizational skills needed for institutions to become more adaptable flexible and resilient These are critical strategic attributes in a time of ever more rapid change greater uncertainty and globalization

Factors of Successful Strategic Planning Efforts in Municipal Government Eric Gerard Van Otteren, 1994 *Strategic Planning for Public and Nonprofit Organizations* John Moore Bryson, 1995 When it was first published more than sixteen years ago John Bryson's *Strategic Planning for Public and Nonprofit Organizations* introduced a new and thoughtful strategic planning model Since then it has become the standard reference in the field In this completely revised third edition Bryson updates his perennial bestseller to help today's leaders enhance organizational effectiveness This new edition Features the Strategy Change Cycle a proven planning process used by a large number of organizations Offers detailed guidance on implementing the planning process and includes specific tools and techniques to make the process work in any organization Introduces new material on creating public value stakeholder analysis strategy mapping balanced scorecards collaboration and more Includes information about the organizational designs that will encourage strategic thought and action throughout the entire organization Contains a wealth of updated examples and cases

High Impact Tools and Activities for Strategic Planning: Creative Techniques for

Facilitating Your Organization's Planning Process Rod Napier, Clint Sidle, Patrick Sanaghan, 1997-12-22 Not just another book on the theory of strategic planning here are dozens of recipes for creative group activities to facilitate strategic planning in any organization Designed for use by consultants facilitators and management team leaders step by step instructions guide you through exercises for gaining employee and management participation gathering feedback from management about the current state of the organization creating an organized mission vision and values statement and planning so that the vision becomes reality Ready to use reproducible materials and handouts are also included **Applied Strategic Planning**

Timothy M. Nolan, Leonard D. Goodstein, Jeanette Goodstein, 2008-07-15 The Applied Strategic Planning approach help organizations identify their ideal future and develop a plan to achieve that future ASP is highly responsive to environments undergoing rapid change where the very rules of doing business are constantly shifting cover *Strategic culture in the European Union. The significance of the European Security Strategy of 2003* Carolina Gerwin, 2019-12-09 Essay from the year 2018 in the subject Politics Topic Peace and Conflict Security grade 8 2 Leiden University language English abstract The essay deals with the question whether the EU has established a strategic culture regarding its foreign and security policy It begins with a discussion of the concept of strategic culture to then dive into the sources of strategic culture and the extent to which the member states of the EU have similarities within those sources namely geography and history and political structure and institutions Afterwards the European Security Strategy of 2003 is considered as a potential manifestation of EU strategic culture followed by developments after 2008 The essay concludes that the EU is growing closer to having a common strategic culture but that it has not happened yet Due to significant changes with regard to the security situation after the end of the Cold War caused by conflicts in former Yugoslavia the attacks on September 11 2001 and the differences regarding the Iraq war for instance the necessity for a coordinated European foreign and security policy became evident Therefore on December 12 2003 the European Council agreed to the European Security Strategy ESS whose development was seen as an important step in defining common interests and goals of the EU regarding foreign and security policy

Strategic Culture and Weapons of Mass Destruction Jeannie L. Johnson, Kerry M. Kartchner, Jeffrey A. Larsen, 2009-02-13 Interest in reviving strategic culture as a field of study results from the inadequacy of traditional analytical approaches and calls to develop a new framework to guide policymaking in the post 9 11 security environment The book considers 10 case studies of WMD decision making profiling culture in terms of geography shared narratives group relationships threat perception ideology religion economics leadership style and more Strategic culture can help us more accurately evaluate intelligence regarding dangers emanating from other cultures and improve our strategic communications A strategic cultural perspective makes us appreciate the requirements for promoting U S global responsibilities in a multi cultural context negotiate across cultures more effectively and forecast the implications of cultural change for strategic planning purposes

Choice ,1991 **Vision in Action** ,1990 *Preparing Leaders for the Future* Jerome Moss, 1994
