their reincarnation sessions so the rewards are all theirs for the taking They heard whispers about a collection of hidden writings that have ties to the rumored secrets of the universe Upon finally finding these treasures they are confronted by a unidentifiable secretive nemesis intent on stopping them Despite being aided by a benevolent ally they are repeatedly blocked from their goal

The Third Eye Jrb Ross,2019-10-16 How does it feel to see what others don t see hear what others don t hear and feel what others don t feel To have no place to hide no place to escape no one to turn to and no one who understands Fasten your seat belt as we go on a journey packed with horror and thrill Get ready to see the world through The Third Eye A third eye is a higher type of consciousness that opens your soul towards another dimension that ordinary people cannot perceive or see It does not necessarily means that a physical eye appears in your forehead or in the middle of your two eyes Instead it is a state of heightened senses enabling a human being to have visions clairvoyance ability to sense or see spirits and evil entities or do astral travel out of the body Most people whose third eye are open suffer anxiety insanity and rejection since ordinary people could not relate to the horror they have to face A near death experience or a traumatic event are some causes for a third eye to open Some people are born with the third eye open while some were intentionally awoken by expert mediums

Called Back Hugh Conway,2025-06-21T00:00:00Z By the purest of accidents the man who is blind accidentally comes on the scene of a murder He cannot see what is happening but he can hear He is seen by the assassins who on discovering him to be blind allow him to go without harming him Soon afterwards he recovers his sight and later falls in love with a mysterious woman who is in some way involved in the crime The mystery deepens and only after a series of memorable thrills is the tangled skein unravelled First published in 1883 this mystery thriller was a huge success selling 350 000 copies in its first year

The Opening of the Third Eye Dr. Douglas M. Baker,2014-03-02 The Opening of the Third Eye The human brain is a priceless computer lying perfectly maintained but almost silent None of us uses the full potential of this amazing instrument yet we all possess a secret trigger for activating its mechanism Called the Third Eye in occult language this trigger can release a vortex of psychic energy for the extension of awareness in new dimensions for speeding up or slowing down time as experienced on our planet and achieving one hundred per cent personality integration Dr Baker reveals that the Third Eye derives its power from the pineal pituitary and carotid glands allied to whirlwinds of energy known as chakras or force centres There are seven of these centres in the human body their physical location being the base of the spine the solar plexus the spleen the heart the throat the brow and the top of the head Five safe techniques for arousing the Third Eye are provided They have been practised by the author without hazard and with many rewards for over forty years In our present condition we can only observe the outer surface of the planet manifesting in gaseous liquid and solid form We are completely unaware of the subtler states of matter beneath these outward appearances But the Third Eye reveals all underlying structures This means that one could observe the termites in apparently solid wooden paneling or more constructively man s inner organs could be observed and all traces of disease in

them immediately recognised with consequent enormous benefits to medical progress
