The Hidden Third Secret of Fatima Manfred Kolb,2025-07-02 The third secret of Fatima was to be published by the Vatican in 1960 according to the visionary Lucia However this was not done It was not until 2000 that it was announced in Rome in the form of a symbolic vision the interpretation of which was also supplied Experts immediately objected that the secret had only been partially revealed and that there must still be an unpublished text Allegedly the Vatican s claim that the third secret had been fully revealed has been confirmed by Sister Lucia The consecration of Russia would also have been valid in 1984 The latter must be contradicted today in view of the world situation Was there a double involved And if the true third secret has not been revealed what is its probable content Did it warn in time against an ill fated Council Were the Second Vatican Council and the liturgical reform that followed it the cause of the decline in Christian life Is scientific theology undermining faith Where is the church heading Who will be the last pope in history Such questions are examined in detail in this book on the basis of a wealth of information Topics related to the Fatima message in Church theology Faith and politics are also dealt with This book contains the events and messages and how they are dealt with in the Church and the world in chronological order It presents facts events considerations and remarks that enable conclusions to be drawn on the Fatima issue and can contribute to orientation in these confusing times

The Fatima Secret Michael Hesemann,2008-12-18 The truth about the vatican s most impenetrable secret hidden for over eighty years On May 13 1917 three young shepherds witness a vision of the Virgin Mary and hear the Holy Mother reveal three prophecies Elements of the first two prophecies have already come true the end of World War I the rise of Russia as a superpower and the beginning of World War II The third secret was revealed in the year 2000 its details still shrouded in secrecy and controversy What is the Vatican trying to hide The Lady of F tima left a final prophecy so powerful that no pope in over eighty years had dared reveal it Why The third secret is contained on a page of parchment written by the last surviving witness to the miracle and hand delivered to the Pope Even now after the Vatican has released their version of the contents of the third secret intense debate rages as to whether the Church has revealed the truth Here for the first time is a complete inquiry into the mystery of F tima what the three shepherds really witnessed the astonishing turn of their lives the unfolding of the prophecies and how the F tima Secret has dominated Pope John Paul s reign and changed world history Was the F tima prophecy a warning to the Pope or a vision so dire it must be suppressed at any cost

The Rule of Benedict David Gibson,2009-10-13 There was no neutral response to the announcement that the enforcer a k a Cardinal Joseph Ratzinger had been elected Benedict XVI the next pope of the Roman Catholic Church Conservatives saw it as the final triumph of their agenda Liberals were aghast Everyone else wondered what to expect In *The Rule of Benedict* award winning religion journalist David Gibson argues that by tackling the modern world head on Benedict XVI is gambling that he can make traditional orthodox Catholicism the savior of contemporary society But if the elderly Benedict fails in his battle with modernity what will happen to one of the world s largest religions Gibson shows how the key decisions of this surprising papacy will profoundly impact the future of Catholicism David Gibson is an award winning religion writer and a committed lay Catholic He writes frequently about Catholicism for various newspapers and magazines including the New York Times Boston Magazine New York Observer Commonweal and America and was the religion writer at the Newark Star Ledger Gibson worked in Rome and traveled with the Pope for Vatican Radio in the late 1980 s and has recently co written and co produced two television documentaries on the Catholic Church for CNN He lives in New York City Gibson s ability to provide in depth background about church history theology and hierarchy is of great value to lay readers An important reference for anyone with an interest in the modern papacy Kirkus Reviews **The Info Journal** ,1984 **Seeking the Gospel Truth about the Third Secret** Iain Francis Colquhoun,2021-02-23 THIS BOOK OPENS THE QUESTION THAT THE VATICAN VERSION WAS A HOAX AND ALSO FOLLOWS ALL THE EVIDENCE FROM E G HISTORY AND SCRIPTURE TOWARDS THE DISCOVERY OF THE ESSENTIAL TRUTH OF THE THIRD SECRET OF FATIMA [The Encyclopedia of Apocalypticism: Apocalypticism in the modern period and the contemporary age](#) John Joseph Collins,Bernard McGinn,Stephen J. Stein,1998 *On the Third Part of the Secret of Fátima* Kevin J Symonds,2025 For several decades there has been much discussion on the famous third part of the secret of F tima Originally communicated to the three seers of F tima in July 1917 it was not written down until January 1944 It was then kept under lock and key first in Portugal then in the Vatican until its eventual release in June 2000 The long years of its remaining unpublished was accompanied by a desire by various Church officials not to discuss the matter These two facts and others led to much speculation on the content of the

third part of the secret as well as to accusations of a cover up on the part of the Church hierarchy The seemingly endless speculations and accusations have been more prominent since the release of the text in the year 2000 To date there has been no comprehensive refutation of specific arguments in response to the speculations and accusations That fact has now changed Kevin J Symonds of Menominee Michigan has performed some groundbreaking research on the matter in his latest book *On the Third Part of the Secret of Fatima* Utilizing material in six foreign languages including information from the archives of the Sanctuary of Fatima itself Kevin weighs many of the arguments in support of conspiracy theories on the third part of the secret He takes the arguments head on explores the sources and critiques the conspiracies Symonds findings produce some truly astonishing results that are sure to cause many to re think their understanding of the message of Our Lady of Fatima In this centennial year of Fatima many of the faithful are renewing their interest in or discovering for the first time the message of Our Lady of Fatima *On the Third Part of the Secret of Fatima* is not an introductory book but will be an excellent source for people already familiar with the topic *The Freethinker* ,2000 [The 'in-Your-Face' Third Secret of Fatima](#) Iain Francis Colquhoun,2020-05-23 Setting the record straight about the Third Secret of Fatima disputing the validity of the official version **Covertaction Information Bulletin** ,1986 *The Catholic World Report* ,2007 *The Last Secret of Fatima* Tarcisio Cardinal Bertone,2013 With an introduction by Pope Benedict XVI and including information previously suppressed the Vatican s Secretary of State Cardinal Bertone definitively reveals and explains one of the most controversial events in twentieth century Catholicism the 1917 apparition of the Virgin Mary at Fatima During World War I three Portuguese children received a vision in which Mary the Mother of Jesus foretold great global turmoil The first part of their vision warnings about World War II communism and the spread of atheism were widely publicized but Vatican officials were hesitant to reveal the vision s concluding images thus creating the secret of Fatima Speculation about this secret gripped many Catholics and the aura of intrigue surrounding Fatima grew when the Church hierarchy barred the last surviving visionary from speaking publicly In *THE LAST SECRET OF FATIMA* Cardinal Bertone the Vatican equivalent of prime minister and a top advisor to Pope Benedict breaks the Vatican s official silence on the last secret Rather than Armageddon he claims the final prophecy envisaged the 1981 assassination attempt on Pope John Paul II Bertone argues the apparition at Fatima was a call to renewal for the Church and he was assigned the task of promulgating this message by the Pope
