The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional

or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use

*The Apocalypse* Joseph A. Seiss, 2007-03-01 Originally published in three volumes from 1870 to 1884 J A Seiss's lectures on the Apocalypse were among the first popular works based upon the futurist interpretation of Revelation. Considered by modern evangelical scholars to be among the most influential, the collected lectures have been called a monumental work, thoroughly scholarly and spiritual and the highest type of scholarship. For Bible students, teachers, and Christians of all types, this is the work to turn to for understandable in-depth explanations of the most intriguing book of the Bible.

American Lutheran pastor JOSEPH AUGUST SEISS (1823-1904) was born in Maryland and served congregations in Virginia, Maryland, and Pennsylvania. In addition to his translations of hymns from the original German, he also authored numerous books, including *The Gospel in the Stars* and *The Great Pyramid: A Miracle in Stone*.
