ago that I would have been feeling like that I should have laughed at him but there was the fact The weather made me liverish the talk of the ordinary Englishman made me sick I couldn't get enough exercise and the amusements of London seemed as flat as sodawater that has been standing in the sun Richard Hannay I kept telling myself you have got into the wrong ditch my friend and you had better climb out It made me bite my lips to think of the plans I had been building up those last years in Bulawayo I had got my pile not one of the big ones but good enough for me and I had figured out all kinds of ways of enjoying myself My father had brought me out from Scotland at the age of six and I had never been home since so England was a sort of Arabian Nights to me and I counted on stopping there for the rest of my days

Biography John Buchan 1875-1940 was a Scottish novelist, historian, and Unionist politician who served as Governor General of Canada the 15th since Canadian Confederation. After a brief legal career, Buchan simultaneously began his writing career and his political and diplomatic careers, serving as a private secretary to the colonial administrator of various colonies in southern Africa. He eventually wrote propaganda for the British war effort in the First World War. Buchan was in 1927 elected Member of Parliament for the Combined Scottish Universities but he spent most of his time on his writing career, notably writing *The Thirty-Nine Steps* and other adventure fiction. In 1935 he was appointed Governor General of Canada by King George V on the recommendation of Prime Minister of Canada R. B. Bennett to replace the Earl of Bessborough. He occupied the post until his death in 1940. Buchan proved to be enthusiastic about literacy as well as the evolution of Canadian culture and he received a state funeral in Canada before his ashes were returned to the United Kingdom.

Beyond the Thirty-Nine Steps
Ursula Buchan, 2019-04-18 John Buchan's name is known across the world for *The Thirty-Nine Steps*. In the past one hundred years, the classic thriller has never been out of print and has inspired numerous adaptations for film, television, radio, and stage, beginning with the celebrated version by Alfred Hitchcock. Yet there was vastly more to J.B. He wrote more than a hundred books, fiction and non-fiction, and a thousand articles for newspapers and magazines. He was a scholar, antiquarian, barrister, colonial administrator, journal editor, literary critic, publisher, war correspondent, director of wartime propaganda, member of parliament, and imperial proconsul, given a state funeral when he died, a deeply admired and loved Governor General of Canada. His teenage years in Glasgow's Gorbals, where his father was the Free Church minister, contributed to his ease with shepherds and ambassadors, fur trappers, and prime ministers. His improbable marriage to a member of the aristocratic Grosvenor family means that this account of his life contains at its heart an enduring love story.

Ursula Buchan, his granddaughter, has drawn on recently discovered family documents to write this comprehensive and illuminating biography. With perception, style, wit, and a penetratingly clear eye, she brings vividly to life this remarkable man and his times.
