and making cars is an expensive thing to do So is racing them All told the car business spends billions every year and with  
such vast sums at stake you d think the people involved wouldn t give desk space to Captain Cockup Sadly you would be  
wrong Every department in every car firm and motorsport operation is capable of complete and abject failure and on a  
surprisingly regular basis Which is what this book is about You see Top Gear knows a thing or two about embarrassing  
mistakes as anyone who watched our India special will know The truth is for many years Top Gear has also regarded failure  
as funny Where other television programmes edit out the moment where the presenter falls over or slams their hand in a  
door Top Gear gleefully leaves it in So who better to take you on a gentle canter through 50 of the car world s biggest and  
most glorious failures That s right it s Top Gear Who else did you think If you want this sort of stuff from Countryfile you  
might be in for a wait      **Basic Catalogue of Plays and Musicals** Samuel French, Inc,2000      **National Union Catalog**

AWARDS INTERNATIONAL AUTOBIOGRAPHY OF THE YEAR Kieren Fallon was one of the world s greatest jockeys but his  
career was littered with controversial incidents Now in his powerful and honest autobiography he tells all The most eagerly  
anticipated racing autobiography for many years Greg Wood Guardian As a jockey Kieren Fallon had a unique rapport with  
his horses often coaxing them to victory when others had struggled His skill and commitment made him a punter s favourite  
His magnificent record which saw him crowned Champion Jockey on six occasions ensured he became one of racing s biggest  
stars But that was only ever part of the story Having come over to the UK from Ireland to make his name Fallon s combative  
nature brought him to the attention of the racing authorities When he dragged a rival jockey off his mount in 1994 he began  
a series of run ins that would eventually see him on trial in the Old Bailey accused of race fixing Although the judge  
eventually ruled that there was no case to answer the damage to his career and reputation had been done In Form Kieren  
Fallon provides a searingly honest account of his life and the pressures he faced to get to the top of his sport where winning  
was never enough and where relaxation came in the shape of a bottle of vodka or a meal that had to be flipped immediately  
to ensure he maintained his weight He worked with some of the best trainers and won all the biggest races but true  
happiness only ever really came to him when he was on the back of a horse a joy that he still feels now that he has retired  
from racing as he rides work early in the morning Brutally honest as well as entertaining this is a unique sporting memoir
