Topical Josephus:

The Topical Josephus Cleon L. Rogers, Jr., Cleon L. Rogers, 1999-10 No ancient writer is more important for the study of the New Testament than Flavius Josephus a Jew who was born shortly after the death and resurrection of Jesus Christ His works discuss many of the people who walk across the pages of the New Testament such as Herod Agrippa John the Baptist and even Jesus outline institutions important to the understanding of the New Testament such as the Pharisees Sadducees Zealots and Roman army and describe in great detail events predicted in the New Testament the Jewish war especially the destruction of Jerusalem In this book Dr Rogers has summarized the massive bulk of Josephus s writings in a vivid and delightful manner arranging the data topically for easy access He also draws attention to specific words in the Gospels Acts and the letters of the New Testament that take on enriched meanings when viewed in light of Josephus s use of them

Evans, 2025-06-16 Modern historical study of the Gospels seems to give us a new portrait of Jesus every spring just in time for Easter The more unusual the portrait the more it departs from the traditional view of Jesus the more attention it gets in the popular media Why are scholars so prone to fabricate a new Jesus Why is the public so eager to accept such claims without question What methods and assumptions predispose scholars to distort the record Is there a more sober approach to finding the real Jesus Commenting on such recent releases as Bart Ehrman s Misquoting Jesus James Tabor s The Jesus Dynasty Michael Baigent s The Jesus Papers and the Gospel of Judas for which he served as an advisory board member to the National Geographic Society Craig Evans offers a sane approach to

examining the sources for understanding the historical Jesus **Jesus Under Fire** Zondervan,2010-12-21 Who is Jesus What did he do What did he say Are the traditional answer to these questions still to be trusted Did the early church and tradition Christianize Jesus Was Christianity built on clever conceptions of the church or on the character and actions of an actual person These and similar questions have come under scrutiny by a forum of biblical scholars called the Jesus Seminar Their conclusions have been widely publicized in magazines such as Time and Newsweek Jesus Under Fire challenges the methodology and findings of the Jesus Seminar which generally clash with the biblical records It examines the authenticity of the words actions miracles and resurrection of Jesus and presents compelling evidence for the traditional biblical teachings Combining accessibility with scholarly depth Jesus Under Fire helps readers judge for themselves whether the Jesus of the Bible is the Jesus of history and whether the gospels claim is valid that he is the only way to God *Ancient Texts for New Testament Studies* Craig A. Evans,2005 One of the daunting challenges facing the New Testament interpreter is achieving familiarity with the immense corpus of Greco Roman Jewish and pagan primary source materials From the Paraphrase of Shem to Pesiqta Rabbati scholars and students alike must have a fundamental understanding of these documents content provenance and place in NT interpretation But achieving even an elementary facility with this literature often requires years of experience or a photographic memory Evans s dexterous survey a thoroughly revised and significantly expanded edition of his *Noncanonical Writings and New Testament Interpretation* amasses the requisite details of date language text translation and general bibliography Evans also evaluates the materials relevance for interpreting the NT The vast range of literature examined includes the Old Testament apocrypha the Old Testament pseudepigrapha the Dead Sea Scrolls assorted ancient translations of the Old Testament and the Targum paraphrases Philo and Josephus the New Testament pseudepigrapha the early church fathers various gnostic writings and more the NT and a comparison of Jesus parables with those of the rabbis will further save the interpreter precious time *The Bible Knowledge Background Commentary* Craig A.
