Human(Kind) Ashlee Eiland,2020-04-07 A talented storyteller and peacemaker asks Can kindness kindle a revolution Ashlee teaches by example how to live with courage and compassion and I believe her perspective and voice will be deeply meaningful to so many people Shauna Niequist Long before polls protests and political issues divided us we were joined by a humanness that God considered very good Created in his image we reflected the height and depth of God s loving kindness but our discord has blinded us to the imago Dei in us all In this compelling collection of essays Ashlee Eiland shares her story of being a black woman living on two sides of the fence as the token black girl in majority white spaces and as the whitewashed black girl in majority black spaces As she discovers her own unique worth through these recollections Ashlee learns that extending radical kindness toward every person regardless of social status political views or religious beliefs gives us hope and rekindles our common humanity With grace and humility Human Kind invites us to chart our own formative journeys and recognize our inherent value cultivating empathy so we may once again see the image of God shining brightly within one another

The Santa Fe Magazine ,1932 **Coal and Coal Trade Journal** ,1926 *The Secret of the Tower* Anthony Hope,1919

The Secret of the Tower by Anthony Hope was received by the author s many admirers with enthusiastic pleasure for it was many a moon since he has written a novel not indeed since the war The present tale is a mystery story with all the thrilling and hair raising situations that the most exacting lover of baffling romantic mystery novels could desire The scene is laid in England after the great war and much mystery surrounds the occupants of the Tower an old man his companion and his servant Much speculation as to their mode of living and the secretiveness of their weekly trips to London with a brown leather bag which always accompanies them on their journey finally overcomes the curiosity of the servant who enters into a conspiracy with confederates to discover the meaning of it all It is at this critical moment that the old man is taken ill and his companion an ex army officer finds it necessary to call in a woman doctor of the neighborhood to attend him Disclosures come thick and fast upon her arrival and the situations become very intense but explanations clarify the atmosphere and the wheels of love run smoothly for all concerned leaving the fortune which had played such a mysterious part in the big thrilling plot to those who made gold their god
