Yael Fisch

study of midrash Though Paul writes and interprets scripture in Greek and the Tannaim in Hebrew and despite grave methodological difficulties in claiming direct and substantial cultural contact between these literary traditions this book argues that Paul is a crucial source for the study of rabbinic midrash and vice versa Fisch offers fresh perspectives on reading practices that Paul and the Tannaim uniquely share on Paul's concept of nomos and its implications on the reconstructed history of the Tannaitic twofold Torah Oral and Written on the relationship between allegory and midrash as hermeneutical systems and on competing conceptualizations of ideal readers *Reading the Rabbis* David Kraemer, 1996-08-15 Traditionally the Talmud was read as law that is as the authoritative source for Jewish practice and obligations To this end it was studied at the level of its most minute details with readers often ignoring the composite whole and attending only to final decisions Methods of reading have shifted as more readers and students have turned to the Talmud for evidence of rabbinic history religion rhetoric or anthropology still few have employed a genuinely literary approach In *Reading the Rabbis* Kraemer attempts to fill this gap He uses the tools developed in the study of other literatures particularly rhetorical and reader response criticisms to unearth previously unnoticed levels of meaning His book offers a new understanding of the complexity of Rabbinic Judaism and a new model of rabbinic piety **Between Kant and Kabbalah** Alan L. Mittleman, 2012-02-01 This is the first full length systematic study in English of Isaac Breuer a founder of Agudat Israel whose intellectual achievements reflected the world of Franz Rosenzweig and Martin Buber in an Orthodox mirror It sheds light on an often neglected aspect of German Jewry's last phase and reclaims Breuer as a paradigmatic figure in the Jewish encounter with modernity *Revelation and Authority* Benjamin D. Sommer, 2015-01-01 Winner of the 2016 Goldstein Goren Award for the best book in Jewish Thought At once a study of biblical theology and modern Jewish thought this volume describes a participatory theory of revelation as it addresses the ways biblical authors and contemporary theologians alike understand the process of revelation and hence the authority of the law Benjamin Sommer maintains that the Pentateuch's authors intend not only to convey God's will but to express Israel's interpretation of and response to that divine will Thus Sommer's close readings of biblical texts bolster liberal theologies of modern Judaism especially those of Abraham Joshua Heschel and Franz Rosenzweig This bold view of revelation puts a premium on human agency and attests to the grandeur of a God who accomplishes a providential task through the free will of the human subjects under divine authority Yet even though the Pentateuch's authors hold diverse views of revelation all of them regard the binding authority of the law as sacrosanct Sommer's book demonstrates why a law observant religious Jew can be open to discoveries about the Bible that seem nontraditional or even antireligious [The Pharisees](#) R. Travers Herford, B.A., 1924 **Birkat HaMinim** Yaakov Y. Teppler, 2007 One of the intriguing questions in the study of the period of the reformation of Judaism after the destruction of the Second Temple is the identity of a group which appears in hundreds of Talmudic sources from those days the minim It is clear that most of these sources reflect different facets of the polemic between Judaism and

Christianity which were both engaged in establishing their identities This book concentrates mainly on the second century CE and includes two basic questions the question of the earliest text of the twelfth blessing of the central Jewish prayer composed at that time Birkat haMinim and the question of the identity of those minim who are cursed in this blessing In the first section of the book Yaakov Yanki Tepler analyzes the blessing itself In the second section which concerns the question of its principal objects he sets out on a quest for the characterization of the minim using all the hundreds of sources which deal with them Having united these two sections in one framework a proposal is made as to the identity of the minim This proposal should provide a coherent basis for further research on this subject laying a firm foundation for understanding the processes of separation between Judaism and Christianity in this stormy and fascinating period *The Universal Jewish Encyclopedia ...* Isaac Landman, Simon Cohen, 1943 *A General Catalog of Books Offered to the Public at the Affixed Prices* Bernard Quaritch (Firm), 1884 ***A General Catalogue of Books Offered to the Public at the Affixed Prices by Bernard Quaritch ...***, 1884 ***Journal of Biblical Literature***, 1906 *Sayings of the Jewish Fathers* Charles Taylor, 1897 ***Sayings of the Jewish Fathers Comprising Pirqe Aboth in Hebrew and English with Notes and Excursuses*** Charles Taylor, 1897 ספרים שונים על חיי חסידים וחסידות ספרים שונים על חיי חסידים וחסידות Charles Taylor, 1897 *The Reform Advocate*, 1919 ***Weekly Law Bulletin and Ohio Law Journal***, 1917 *Ohio Law Bulletin*, 1917 ספרים שונים על חיי חסידים וחסידות Robert Travers Herford, 1930

Torah Is Written Introduction

In today's digital age, the availability of Torah Is Written books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Torah Is Written books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Torah Is Written books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Torah Is Written versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Torah Is Written books and manuals for download are incredibly convenient. With just a

computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Torah Is Written books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Torah Is Written books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Torah Is Written books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Torah Is Written books and manuals for download and embark on your journey of knowledge?
