an array of celebrities Then at the end of the musical salute the Uris Theatre was officially renamed the Gershwin Theatre My feelings of apprehension were indescribable We were sitting near the front of the theatre surrounded by the people who helped to make Broadway Broadway All of us we were poised to hear the announcement of the winner for Best Play in the 1982 83 season My heart was pounding almost out of my chest I was beyond excited because the show I was producing Torch Song Trilogy was one of the nominees Everyone in the theatre industry knew it was a long shot because a show entitled night Mother by Pulitzer Prize winner Marsha Norman was expected to take the Tony hands down Torch Song Trilogy was a groundbreaker the first on Broadway that in my opinion fearlessly embraced the gay world I was concerned as to whether the theatre industry or the theatre going public would ever fully accept this show Thoughts and memories flooded my mind I d always loved the entertainment business Growing up I went to as many movies and plays as I possibly could But how could I ever have imagined back then that one day I would be sitting at the Tony Awards with a Broadway show that I had produced in the running for a Tony When the time came to announce the winner I happened to glance over at the night Mother producer and it seemed to me that he was preparing to stand up Then the presenter opened the envelope saying as they always do And the winner is She gasped Oh my God The winner is Torch Song Trilogy The audience went wild I just sat there completely stunned Then it dawned on me that I was expected to get up and accept the Award with the fabulous Torch Song team of co producers and of course the extraordinarily gifted author and star of Torch Song Harvey Fierstein I leaned over to kiss my wife and ran up the stairs onto the stage Even producers who have won multiple Tony Awards remember their first as the most thrilling For me it was absolutely over whelming I stood there looking out at the distinguished crowd The realization that millions of people were watching including my family friends and colleagues caused my knees to shake and my mouth to go dry as a desert The Torch Song Trilogy magic didn t end there Harvey won Tonys for Best Writer and for Best Actor in a Play You can imagine the celebration party that night for Harvey all the producers and everyone involved in the play the entire cast crew and investors After I was home my head still whirling it was suddenly clear to me that theatre against all odds was always meant to be my life s work Let me tell you how it all played out *LGBTQ America Today* John Charles Hawley,2008-11-30 Lesbian gay bisexual transgender and queer culture is a vibrant and rapidly evolving segment of the American mosaic This book gives students and general readers a current guide to the people and issues at the forefront of contemporary LGBTQ America Included are more than 600 alphabetically arranged entries on literature and the arts associations and organizations individuals law and public policy concerns health and relationships sexual issues and numerous other topics Entries are written by distinguished authorities and cite works for further reading and the encyclopedia closes with a selected general bibliography Students in social studies history and literature classes will welcome this book s illumination of American cultural diversity LGBTQ Americans have endured many struggles and during the last decade in particular they have made tremendous contributions to our multicultural society Drawing on the expertise
