Tortured Disdain More Of Nothingmore Or Less:

Tortured Disdain Cat Tyrson,2003-06-05 These words have a very strange effect the deeper you go the more you feel the pain creeping into your soul Cat Tyrson knows what bothers you and he isn't afraid to let you know He says the things that all of us want to say but just can't seem to spit out Warning This collection is not for the meek It is real horror It is a journey through one person's Hell yet all of us go with him You will never look in a mirror the same way again For that matter you may not view your own life the same either Read it Then read it slowly Then read it again The horror will come straight to the surface Literally amazing

Hate Speech and Democratic Citizenship Eric Heinze,2016 Most modern democracies punish hate speech Less freedom for some they claim guarantees greater freedom for others Heinze rejects that approach arguing that democracies have better ways of combatting violence and discrimination against vulnerable groups without having to censor speakers Critiquing dominant free speech theories Heinze explains that free expression must be safeguarded not just as an individual right but as an essential attribute of democratic citizenship The book challenges contemporary state regulation of public discourse by promoting a stronger theory of what democracy is and what it demands Examining US European and international approaches Heinze offers a new vision of free speech within Western democracies
