have it back Buffy didnt even know where her original report book was On this very occasion I made a vow to God and I started getting finding sentences immediately These are transcribed all throughout my writing God always wins In ENOS we learn that humanity is a part of God and part of some advanced Alien life form intelligence that came to the earth about 200 000 years ago I am talking about the giants we read about in our basic Christian Bible in Genesis This situation of a foreign intelligence cannot last long and when it is over only a Godly being will remain that suits this earth perfectly for a very long time This foreign intelligence is humanity Enos is about God in the universe Enos teaches us how to live freely for a million years Enos is a new American style mindset American lingo about the wisdom that all natural creatures have known through the eons The Aliens themselves in Enos are an amazing perfectly natural life form that has survived a long time in evolution to become who they are now who they want to be My book has to be known as a religion This bold statement goes along with the process by which I have been able to write this book out at all Enos is also an overly long diatribe of rhetorical writing that many will not like and some will be completely enthralled by It can also be looked upon as being a book of poetry Enos has about 50 poems in it a few long poems and many short ones and many passages that are poetic like The Aliens in my report say that this entire writing is a prolonged po
