Tough Guys Die Hard:

Tough Guys Die Hard John Mackie,1985 Tough Guys Dale Arnold,2023-11-07 There is only one sport outside of actual combat disciplines where two participants can square off in old fashioned bare knuckle pugilism without facing swift ejection Hockey has long held a place for two willing combatants and it has been said that no one goes for popcorn during a fight Fans know what to expect on the ice from players with nicknames like Knuckles The Grim Reaper The Bruise Brothers or The Hammer Yet off the ice the men who step into these brutish roles are often the kindest gentlest and most popular players on a team not to mention some of the best storytellers to ever lace up skates Tough Guys honors the experiences of these NHL enforcers throughout history Author and longtime broadcaster Dale Arnold profiles fighters across eras sharing their journeys struggles and moments of glory The Diehard Jon A. Jackson,2014-12-09 The explosive debut novel featuring hard nosed cop Fang Mulheisen from an author who stands right up there with the best chroniclers of urban crime The New York Times The city of Detroit doesn't have many places anyone would exactly call nice But the exclusive enclave of Indian Village is an oasis of calm surrounded by urban blight At least until a beautiful young heiress is murdered during a home robbery gone horribly wrong if that really is what happened Detroit's Det Sgt Fang Mulheisen isn't so sure The coincidences of the case are just a bit too coincidental the ruthlessness of the crime goes way beyond a punk thief looking for a quick score and the victim's big banker husband may owe some very bad people more than just money What they want is blood And Mulheisen may be the only man who can keep them from getting it With gritty detail whip smart dialogue and street level action the elaboration of the plot and the quality of the writing put The Diehard pretty close to the top of its class The New York Times Book Review Ageing, Popular Culture and Contemporary Feminism I. Whelehan,J. Gwynne,2014-11-06 How has popular film television and fiction responded to the realities of an ageing Western population This volume analyses this field of representation to argue that while celebrations of ageing as an inspirational journey are increasing most depictions still focus on decline and deterioration 51 Questions for the Diehard Fan Ryder Edwards,2014-04-22 Test your knowledge with these hardball questions about your favorite team all the sluggers hurlers and greatest moments in Boston Red Sox history 51 questions to challenge the diehard Red Sox fan Kill Them All Kyle Starks,2025-06-17 The gonzo graphic novel love letter to 90s action movies by Eisner nominated cartoonist Kyle Starks Peacemaker Tries Hard Sexcastle returns in a triumphant new hardcover edition A betrayed assassin will stop at nothing to get revenge A hard drinking disgraced former cop just wants to get his thankless job back For either to get what they want they're going to have to fight their way from lobby to penthouse through wave after relentless wave of merciless criminals assassins drug lords murderers and even accountants shudder until there's no one left standing In short KILL THEM ALL Soon to be a major motion picture from Paramount Pictures and director Sam Hargrave Extraction **Spectacular Bodies** Yvonne Tasker,2012-10-02 While films such as Rambo Thelma and Louise and Basic Instinct have operated as major points of cultural reference in recent years

popular action cinema remains neglected within contemporary film criticism Spectacular Bodies unravels the complexities and pleasures of a genre often dismissed as obvious in both its pleasure and its politics arguing that these controversial films should be analysed and understood within a cinematic as well as a political context Yvonne Tasker argues that today's action cinema not only responds to the shifts in gendered sexual and racial identities which took place during the 1980s but reflects the influences of other media such as the new video culture Her detailed discussion of the homoeroticism surrounding the muscleman hero the symbolic centrality of blackness within the crime narrative and the changing status of women within the genre addresses the constitution of these identities through the shifting categories of gender class race sex sexuality and nation Spectacular Bodies also examines the ambivalence of supposedly secure categories of popular cinema questioning the existing terms of film criticism in this area and addressing the complex pleasures of this neglected form *Cue*, 1966
