**The Vegetarian Magazine** ,1910 *The Logic of Vegetarianism* Henry Stephens Salt,1906 *The Logic of Vegetarianism* Essays and Dialogues is a book written by Henry Stephens Salt in 1906 It is a collection of essays and dialogues that argue for the ethical and practical reasons for adopting a vegetarian lifestyle The book is divided into two parts with the first part discussing the moral and philosophical arguments for vegetarianism while the second part focuses on the practical aspects of vegetarianism such as nutrition and cooking Throughout the book Salt argues that the consumption of meat is not only unnecessary for human health but also morally wrong due to the cruelty and exploitation involved in animal agriculture He also critiques the arguments made by those who defend meat eating such as the idea that humans are biologically designed to eat meat and argues that vegetarianism is a more rational and compassionate choice The dialogues in the book are written in a conversational style with Salt engaging in debates with fictional characters who represent different perspectives on vegetarianism These dialogues provide a lively and engaging way to explore the various arguments for and against vegetarianism Overall *The Logic of Vegetarianism* is a

thought provoking and persuasive book that continues to be relevant today as more and more people are turning to vegetarianism for ethical environmental and health reasons This scarce antiquarian book is a facsimile reprint of the old original and may contain some imperfections such as library marks and notations Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to their original work **The Vegetarian Messenger** ,1902 **The Vegetarian Messenger and Health Review** ,1905 *In Business* ,2004 **Taiwan** ,2007 *The New Vegetarian* Michael Cox,Desda Crockett,1985 Forthcoming Books Rose Arny,2001 **The Subversive Vegetarian** Michael Cox,Dresda Crocket,Desda Crockett,1980 *The Phrenological Journal and Science of Health* ,1886
