Trusting the Dawn Mary Firestone, 2022-08-23 This book is medicine for anyone who wants to free their mind body and soul from the past Dr Joe Dispenza New York Times bestselling author of *You Are the Placebo* and *Becoming Supernatural* Mary Firestone survived the unthinkable In 2018 she lived through the Montecito mudslide that dropped 200 million gallons of rainfall in 15 minutes washing away her home Trapped alone in her bathroom while pregnant not sure if her husband and four year old son were still alive she wasn't thinking that her trauma was a gift in disguise Yet as she began her journey to healing this is exactly what she discovered If you've experienced trauma whether through the helpless terror of a life altering event or through the subtle victimization of an ongoing hardship it might feel as if the very foundation of your well being has been irreparably shaken Yet we now know that trauma when healed and integrated can in fact make us more resilient and dynamic With *Trusting the Dawn* Mary Firestone presents an inspirational guide for turning our traumas into the very things that crack open a new intangible rapturous magical dimension of life Throughout the book Firestone draws from both her own healing journey and her background in clinical psychology to offer a radical integrative handbook for not only healing from trauma but awakening to even more empowerment joy and meaning because of your experiences Stories of triumphant survival and interviews with experts bring to life an extensive resource guide and holistic tool kit filled with pathways to healing including reframing with language energy and movement practices acupuncture aromatherapy breathwork and more *Trusting the Dawn* is an invitation to see that you are more complex multidimensional connected and powerful not in spite of what you've been through but because of what you've endured
