**The Big Time** Michael MacCambridge, 2023-10-10 Indispensable history Sally Jenkins bestselling author of The Right Call A captivating chronicle of the pivotal decade in American sports when the games invaded prime time and sports moved from the margins to the mainstream of American culture Every decade brings change but as Michael MacCambridge chronicles in THE BIG TIME no decade in American sports history featured such convulsive cultural shifts as the 1970s So many things happened during the decade the move of sports into prime time television the beginning of athletes gaining a sense of autonomy for their own careers integration becoming at least within sports more of the rule than the exception and the social revolution that brought females more decisively into sports as athletes coaches executives and spectators More than politicians musicians or actors the decade in America was defined by its most exemplary athletes The sweeping changes in the decade could be seen in the

collective experience of Billie Jean King and Muhammad Ali Henry Aaron and Julius Erving Kareem Abdul Jabbar and Joe Greene Jack Nicklaus and Chris Evert among others who redefined the role of athletes and athletics in American culture The Seventies witnessed the emergence of spectator sports as an ever expanding mainstream phenomenon as well as dramatic changes in the way athletes were paid portrayed and packaged In tracing the epic narrative of how American sports was transformed in the Seventies a larger story emerges of how America itself changed and how spectator sports moved decisively on a trajectory toward what it has become today the last truly big tent in American culture **The Big Time** Red Jordan Arobateau,2011 *The Big Time* Fritz Leiber,2014-04-01 A war rages beyond space and time in this Hugo Award winning extraordinary tour de force from the acclaimed Master of Science Fiction and Fantasy A Reader s Guide to Science Fiction Fritz Leiber 1910 1992 may be best known as a fantasy writer but he published widely and successfully in the horror and science fiction fields One of his major SF creations is the Change War a series of stories and short novels about rival time traveling forces locked in a bitter ages long struggle for control of the human universe where battles alter history and then change it again until there is no certainty about what might once have happened The most notable work of the series is the Hugo Award winning novel *The Big Time* in which doctors entertainers and wounded soldiers find themselves treacherously trapped with an activated atomic bomb inside the Place a room existing outside of space time Leiber creates a tense claustrophobic SF mystery and a brilliant unique locked room whodunit In addition to the Hugo Nebula Derleth Lovecraft and World Fantasy Awards Fritz Leiber received the Grand Master of Fantasy Gandalf Award the Life Achievement Lovecraft Award and the Grand Master Nebula Award **The Bigtime Series: Volume 2** Jennifer Estep,2024-06-11 New York Times bestselling author Jennifer Estep serves up action packed paranormal romance adventures with her Bigtime superhero series Journey to a city that s full of quirky zany superheroes finding love while they battle over the top evil ubervillains bent on world domination Perfect for fantasy readers and comic book fans of Marvel Comics and DC Comics along with the Wonder Woman show with Lynda Carter and the Batman show with Adam West *The Bigtime Series Volume 2* includes the following Jinx Book 3 Thanks to her unwanted superpower fashion designer Bella Bulluci may be the luckiest woman in Bigtime But luck can be good or bad and it seems like just as many embarrassing things happen to Bella as do positive ones But Bella is going to need every bit of her good luck when she becomes the target of two ubervillains intent on stealing a prize sapphire Nightingale Book 4 Anxious brides Drunken businessmen Panicked partygoers As Bigtime s premiere event planner Abby Appleby is capable of handling almost any crisis but even she s not prepared when she finds herself in the middle of a fight between superhero Talon and his ubervillain nemesis Bandit Fandemic Book 5 Piper Perez s friends jokingly call her a fandemic someone who is a superfan of all things superhero The nickname is truer than anyone knows especially since Piper can t stop thinking about Swifte the speedy hero who broke her heart But when Swifte becomes the target of a ruthless killer Piper will have to use all her fandemic knowledge to save the man she loves [Big-Time Sports in American Universities](#)

Charles T. Clotfelter,2019-02-21 For almost a century big time college athletics has been a wildly popular but consistently problematic part of American higher education The challenges it poses to traditional academic values have been recognized from the start but they have grown more ominous in recent decades as cable television has become ubiquitous commercial opportunities have proliferated and athletic budgets have ballooned In the second edition of his influential book *Big Time Sports in American Universities* Clotfelter continues to examine the role of athletics in American universities building on his argument that commercial sports have become a core function of the universities that engage in them Drawing on recent scandals on large scale college campuses and updates on several high profile court cases Clotfelter brings clear economic analysis to the variety of problems that sports raise for university and public policy providing the basis for the continuation of constructive conversations about the value of big time sports in higher education
