Revelation of Jesus Christ Grace Chung, 2025-08-14 This book is the words of God explaining about the book of Revelation and about the end time It gives us the God's explanation about each chapter of the book of Revelation explaining about the seven churches in Asia and about the plagues of seven seals This book will tell us in detail about how we should believe in Jesus in order to be saved out of hell fire and out of all the plagues that will strike the earth in the upcoming future The messages of this book must be the warning signals of God that He wants to send to all of His churches and to all the people who live in the end time of the world Once Jesus showed me what will happen in the very end of the world I saw the people who will be left behind on earth being flown away by the huge fiery tempest since heaven and earth will flee away and all the gravity on earth will disappear in the end of the world In 2 Peter 3 10 12 it says But the day of the Lord will come as a thief in the night in which the heavens will pass away with a great noise and the elements will melt with fervent heat both the earth and the works that are in it will be burned up Therefore since all these things will be dissolved what manner of persons ought you to be in holy conduct and godliness looking for and hastening the coming of the day of God because of which the heavens will be dissolved being on fire and the elements will melt with fervent heat This book is the first volume of the messages of the book of Revelation that I have translated Soon there will be the second and third volume of the messages of the book of Revelation coming out This is the second volume of the messages of the book of Revelation a third volume awaits There will be explanations in detail about the plagues of seven trumpets the plagues of seven bowls the white throne judgment and heaven I wish you will all read these books and get an insight into what will happen in the close future in the world and prepare yourselves to be saved out of upcoming punishment of God that will befall earth and enter into heaven in the end God bless you all

The Great Tribulation! Richard Guthrie, 2014-12-12 The end times contain many exciting events we are all familiar with and think we fully understand The appearance and domination of the Antichrist throughout the world The rise and global domination of the Revised Roman Empire resulting in a One World Government The Mark of the Beast that makes trade impossible anywhere on the Earth The universal devastation wrecked by the Four Horsemen of the Apocalypse The appearance of the spiritual harlot of Mystery Babylon and the end time false religion However consider the following What if the Antichrist will not become the universal or worldwide leader What if the Mark of the Beast is regional rather than global What if there is no Revised Roman Empire

What if the Four Horsemen of the Apocalypse have already been loosed What if Mystery Babylon could never be the Roman Catholic Church Who did Jesus identify as the Mystery Babylon of Revelation What if the Twelfth Imam the Islamic Messiah is slain in the rebuilt Jewish Temple Why is it impossible to know the identity of the Antichrist until certain events unfold Why are the dates of the Rapture and that of the Second Coming both unknowable Who is left to enter into the Millennial Kingdom if there s a Post Tribulational Rapture Why are the identities of the two end time prophets unknowable What country is poised to play a major role within these end time events In a detailed and thorough analysis of Scripture The Great Tribulation explores these and many more questions related to the end time events in a step by step approach Using a literal interpretation of Scripture this eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic and straightforward for the novice

Biblical Code Found on the Face of the Great Pyramid Reveals: the Return of Christ in 2040 Gary Brannock,2012-04-24 In Revelation John is given an enigmatic vision which is filled with apocalyptic world events to take place just prior to the return of Christ Therefore for centuries countless scholars have attempted to interpret the dream and reveal when these future events would come to fruition But because of its vague and confusing scenarios they were left perplexed and could only speculate and theorize as to what John was attempting to convey in his prophecy This writing begins by comparing the stone coffer in the Great Pyramid to the Bibles lost Ark of the Covenant and in doing so many astounding revelations are brought to light But when I focus solely on the pyramid itself I stumble across a cryptic clue And once I unravel its hidden mystery a 15 000 year old secret is revealed that connects the Great Pyramid to God the Holy Bible and Christ and leads me straight to the book of Revelation in which for the first time ever Johns vision is revealed Upon reading this book you will understand that the reason for the ambiguity of Johns vision was because it was not meant to be interpreted until the end of time was at hand But moreover you will learn the location of the mysterious city of Babylon the location of the bottomless pit when the Antichrist will enter into the world from out of the pit how and from where he will rise to power who will crown him as a king and of his greatest miracle that will deceive many nations into believing he is the risen Christ But most imperative you will learn that because Johns vision has been revealed in advance that at present its a prophecy in the form of a warning but also that if this warning is not heeded it is soon to become one of destiny

A True Interpretation of All the Chief Texts, and Mysterious Sayings and Visions Opened, of the Whole Book of the Revelation of St. John Lodowick Muggleton,1665 **Revelation** Gerald McDaniel,2018-02-09 One of the things that this author has noticed concerning other commentators on the book of Revelation is that typically many brilliant authors who normally would write wonderful information on other parts of the Bible would throw the simple guidelines on how to interpret the Bible out the window when coming to the book of Revelation For some reason many commentators would move the entire book of Revelation into figurative language and totally miss what God is telling us in the book of Revelation Please see another book by this author How to Study the Bible for Yourself which contains and
